# CHAMFER TOOL LEE PRECISION Safety Instruction Guide

## Introduction

Thank you for choosing the CHAMFER TOOL LEE PRECISION. This tool is designed to chamfer and deburr the inside and outside of case necks, as well as to remove the crimp from primer pockets. It is made of hardened steel, ensuring durability and fast cutting without chatter. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Always read and follow the instructions provided in this guide.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before use.
- Do not use the tool if it is damaged or malfunctioning.
- Store the tool in a safe, dry place when not in use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Ensure that the work area is clean and free from hazards.
- Avoid distractions while operating the tool to maintain focus and control.
- Use the tool with both hands for better stability and control.
- Do not apply excessive force; let the tool do the work.
- Be cautious of sharp edges and points when handling and using the tool.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and ensure a clean work area.
- Inspect the chamfer tool for any visible damage.

### 2. Using the Tool:

- Hold the case securely in one hand.
- With the other hand, position the chamfer tool at the desired angle against the case neck.
- Apply gentle pressure while rotating the tool to chamfer the edge.
- For primer pocket crimp removal, insert the tool into the pocket and twist gently until the crimp is removed.

### 3. PostUse Care:

- Clean the tool after each use to remove any debris or residue.
- Store the tool in a protective case or designated storage area.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations.
- If the tool is no longer functional, consider recycling the materials if possible.
- Do not dispose of the tool in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the EUbased contact information provided with your product packaging.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your CHAMFER TOOL LEE PRECISION.
