[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammers](#)

## Ultra-Hard, Ultra-Slick Finish Gives Smooth, Reliable Performance

These precision-machined components are coated with WMD's ultra-tough NiB-X® nickel boron finish for superior durability, corrosion resistance, and exceptionally smooth metal-on-metal contact. The coating allows the parts to function under extreme conditions with little or no lubrication, and gives carbon fouling nothing to adhere to, so cleanup is much easier than with ordinary finishes. Allows longer intervals between cleaning without loss of weapon performance.

## Attributes

- Name: [WMD GUNS NIB-X® AR-15 HAMMER](#)
- Manufacturer: [WMD GUNS](#)
- Product no.: 100010178
- Mfr. No.: 1-NIBXHSA
- Weapon type: AR-15
- Delivery weight: 0.032kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 855899003065

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15/308 AR NiBX® Coated Hammer

## Introduction

Thank you for choosing the AR15/308 AR NiBX® Coated Hammer by WMD Guns. This guide provides important safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure that the hammer is installed properly to avoid malfunctions.
- Do not use the product if you notice any damage or wear.
- Store the hammer in a safe place, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and tear.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the hammer is compatible with smallpin (.154") AR15 lower receivers only.
- Use only recommended lubricants as specified by the manufacturer.
- Avoid using the hammer in extreme conditions without proper maintenance.
- Be cautious when cleaning the firearm; ensure it is completely unloaded.
- Do not modify the hammer in any way that could affect its performance or safety.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing hammer from the lower receiver.
- Insert the NiBX® coated hammer into the lower receiver, ensuring it fits securely.
- Reassemble any necessary components and ensure all parts are properly seated.
- Perform a function check to ensure the hammer operates correctly.

### 2. Usage Instructions:

- Load the firearm only when ready to use it.
- Always keep your finger off the trigger until you are ready to shoot.
- Maintain control of the firearm at all times during use.
- After use, clean the hammer and other components to maintain optimal performance.

## Disposal Instructions

- Dispose of the hammer in accordance with local regulations regarding hazardous materials.
- If the hammer is damaged or no longer usable, contact a qualified firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15/308 AR NiBX® Coated Hammer, please refer to the manufacturer's contact information provided at the point of purchase. Ensure to keep this guide for future reference.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your AR15/308 AR NiBX® Coated Hammer. Always prioritize safety and responsible handling practices. Thank you for your commitment to safe firearm usage.
