# Safety Instruction Guide for RCBS Powder Funnel (17 to 20 Caliber)

## Introduction

Thank you for choosing the RCBS Powder Funnel designed for 17 to 20 caliber cartridges. This product is engineered to help you load powder into your cartridges safely and efficiently. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the powder funnel in a wellventilated area to minimize inhalation of any powder particles.
- Keep the powder funnel and related materials out of reach of children and pets.
- Inspect the funnel before each use for any signs of damage or wear. Do not use if damaged.
- Use the powder funnel only for its intended purpose. Do not modify or alter the product.
- Follow all manufacturer guidelines regarding the types of powder and cartridges that can be used with this funnel.

## Specific Safety Precautions for Use

- Ensure that the funnel is clean and free from any residues before each use.
- Do not exceed the recommended capacity of the funnel to avoid spills.
- Avoid overfilling cartridges as this may lead to dangerous conditions during loading and firing.
- Always point the funnel and cartridges in a safe direction away from yourself and others when loading.
- Use caution while handling powder and cartridges to avoid accidental ignition or spillage.

## Instructions for Installation and Usage

### 1. Setup:

- Place the funnel on a stable surface or hold it securely in one hand.
- Ensure the drop tube is aligned with the case mouth of the cartridge.

### 2. Filling the Funnel:

- Carefully pour the desired amount of powder into the funnel.
- Allow the powder to flow into the cartridge without forcing it. If it does not flow freely, check for blockages.

### 3. PostUse:

- After use, clean the funnel with a soft brush or cloth to remove any powder residues.
- Store the funnel in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of any unused powder according to local regulations for hazardous materials.
- Recycle the funnel if it is no longer usable, following local recycling guidelines.
- Do not dispose of the funnel in regular household waste if it is contaminated with powder residues.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please refer to the product packaging or the manufacturer's website for EUbased contact information.

By following these safety instructions, you can ensure a safe and effective experience with your RCBS Powder Funnel. Always prioritize safety when handling reloading equipment and components. Thank you for your attention to these important guidelines.
