# ROCK CHUCKER SUPREME AUTO PRIME Safety Instruction Guide

## Introduction

Thank you for choosing the ROCK CHUCKER SUPREME AUTO PRIME by RCBS. This Auto Priming Unit is designed to enhance your reloading experience by converting traditional one-at-a-time priming to a more efficient tubefed priming system. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified by the manufacturer.
- Ensure a clean and organized workspace to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use and contact customer support.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Handling Primers:

- Always handle primers with care to avoid accidental ignition.
- Store primers in a cool, dry place away from direct sunlight and heat sources.

### • Using the Auto Priming Unit:

- Ensure that the safety shield is in place before operating the unit.
- Do not exceed the recommended primer capacity of 100 primers.
- Keep hands and other body parts clear of moving parts during operation.

### • Installation and Setup:

- Follow all installation instructions carefully to avoid hazards.
- Ensure that the unit is securely attached to the reloading press before use.

### • Emergency Measures:

- In case of an accident, such as a primer ignition, follow the emergency procedures outlined in your reloading manual.
- Keep a fire extinguisher rated for chemical fires nearby when using the product.

## Instructions for Installation and Usage

### Installation

#### 1. Unpack the Unit:

- Remove the ROCK CHUCKER SUPREME AUTO PRIME from its packaging.
- Inspect the unit for any visible damage or missing parts.

## **2. Attach to Reloading Press:**

- Locate the attachment point on your reloading press where the standard priming arm is mounted.
- Securely attach the Auto Priming Unit in place, ensuring it is firmly locked.

## **3. Check Safety Shield:**

- Ensure that the safety shield is properly installed and functioning before using the unit.

## **Usage**

### **1. Load Primers:**

- Load primers into the feed tubes provided with the unit.
- Ensure that the primers are oriented correctly according to the manufacturer's instructions.

### **2. Operation:**

- Engage the push bar to start the priming process.
- Monitor the operation and ensure that no obstructions are present.

### **3. PostUse:**

- After completing the priming process, remove any unused primers from the unit.
- Clean the unit according to the manufacturer's cleaning instructions to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any unused or expired primers in accordance with local regulations.
- Do not dispose of primers in regular household waste.
- Contact local waste management authorities for guidance on safe disposal practices.

## **Contact Information for Further Support**

For inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the ROCK CHUCKER SUPREME AUTO PRIME. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
