# Safety Instruction Guide for UNPRIMED APS® SMALL RIFLE PRIMER STRIPS

## Introduction

Thank you for choosing the UNPRIMED APS® SMALL RIFLE PRIMER STRIPS by RCBS. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe handling and operation of this product. Please read this document carefully before using the primer strips.

## General Safety Guidelines

- Always handle primers and primer strips with care to avoid accidents.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets.
- Follow all local regulations regarding the storage and use of ammunition components.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are in a wellventilated area when using the primer strips.
- Avoid using damaged or defective strips.
- Never attempt to modify or alter the primer strips in any way.
- Use only the appropriate primer type as specified for your firearm.
- Always wear safety glasses when handling primers to protect your eyes from accidental discharge.

## Instructions for Installation and Usage

### 1. Loading the Primer Strips:

- Gather your UNPRIMED APS® SMALL RIFLE PRIMER STRIPS and the desired primers.
- Use the RCBS striploder to load the primers into the strips.
- Ensure that each primer is seated correctly within the strip.

### 2. Using the Loaded Primer Strips:

- Insert the loaded primer strip into your reloading tool according to the manufacturer's instructions.
- Ensure that the strip is properly aligned to avoid misfires or jams.

### 3. Handling Primers:

- Always handle the primers by the edges to avoid accidental ignition.
- Do not touch the primer cups or the sensitive material inside.

### 4. After Use:

- Dispose of any unused primers and strips in accordance with local regulations.
- Clean your workspace to remove any residues or debris.

## Disposal Instructions

- Dispose of unused or expired primer strips and primers in accordance with local hazardous waste regulations.
- Do not throw primers in regular trash. Contact local waste management authorities for proper disposal.

methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the official RCBS website or contact your local distributor.

Thank you for prioritizing safety while using the UNPRIMED APS® SMALL RIFLE PRIMER STRIPS. Your adherence to these guidelines helps ensure a safer experience for everyone.
