Safety Instruction Guide for UNPRIMED APS® SMALL PISTOL PRIMER STRIPS

Introduction

Thank you for choosing the UNPRIMED APS® SMALL PISTOL PRIMER STRIPS by RCBS. This guide provides essential safety instructions and guidelines to ensure safe handling, usage, and disposal of the product. Please read this guide carefully before using the product to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Handle all primers and related components with care to prevent accidental ignition.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any updates or recalls related to the product through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety glasses when handling primers to protect your eyes from any potential debris.
- Do not smoke or use open flames near primers or primer strips.
- Use the striploder as instructed to avoid damaging the primers.
- Inspect the strips before use to ensure they are not damaged or defective.
- Do not attempt to modify or alter the product in any way.
- If you experience any unusual odors or sensations while using the product, stop using it immediately and seek assistance.

Instructions for Installation and Usage

1. Loading the Primer Strips:

- Use the RCBS striploder to load the primer of your choice into the strips.
- Ensure that each strip is fully loaded with 25 primers as intended.
- Doublecheck that the primers are seated correctly within the strip.

2. Using the Primer Strips:

- Follow the manufacturer's instructions for using the loaded strips in your reloading process.
- Handle the strips with care to prevent dropping or mishandling, which could cause primers to dislodge.

3. PostUsage:

- After using the primer strips, store any unused strips in a safe place, away from children and pets.
- Dispose of any damaged or unused primers in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or damaged primers and strips in accordance with local hazardous waste disposal regulations.
- Do not throw primers in regular household waste.
- Check with local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the UNPRIMED APS® SMALL PISTOL PRIMER STRIPS, please refer to the manufacturer's contact information provided on the packaging or product insert.

Thank you for prioritizing safety while using our product. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
