Safety Instruction Guide for RCBS Universal Reloading Tray 50Round

Introduction

Thank you for choosing the RCBS Universal Reloading Tray 50Round. This product is designed to provide a safe and efficient way to handle your reloading cases. Please read this safety instruction guide carefully to ensure the safe use of this product.

General Safety Guidelines

- Always use the reloading tray in a wellventilated area to avoid inhalation of any debris or dust.
- Keep the reloading tray out of reach of children to prevent accidental injury.
- Inspect the reloading tray for any damage before use. Do not use it if it is cracked or damaged.
- Do not overload the tray beyond its capacity of 50 rounds.
- Always follow the manufacturer's instructions for reloading practices and safety.

Specific Safety Precautions for Use

- Ensure that the reloading tray is placed on a stable and flat surface to prevent tipping or spilling.
- Use caution when handling fired cases, as they may be hot or contain residue from gunpowder.
- Avoid using the tray for any purpose other than its intended use of holding reloading cases.
- Do not use the reloading tray in conjunction with any other equipment that is not compatible.
- If you notice any unusual behavior during use, stop using the tray immediately and inspect it for issues.

Instructions for Installation and Usage

1. Setup

- Place the reloading tray on a flat, stable surface.
- Ensure that the tray is clean and free of any debris before placing any cases in it.

2. Loading Cases

- Identify the type of cases you are using (e.g., rifle or pistol).
- For short pistol cases, place them in the raised upper portion of the block for easy access.
- For larger pistol and rifle cases, use the stepped holes designed to accommodate these sizes.
- Ensure that cases are seated properly in the tray and do not exceed the 50round capacity.

3. Using the Tray

- Handle cases with care, especially if they have been recently fired.
- Make sure to keep your workspace organized to avoid accidents.
- When removing cases from the tray, do so gently to prevent spilling or dropping.

4. After Use

- After reloading, clean the tray to remove any dust or particles.
- Store the tray in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the reloading tray in accordance with local regulations.

- If the tray is damaged or no longer usable, consider recycling it if possible. Check with local recycling facilities for appropriate disposal methods.

Contact Information for Further Support

For any safety inquiries or support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Proper use of the RCBS Universal Reloading Tray will enhance your reloading experience while ensuring safety.
