

TRIM PRO SHELLHOLDER - RCBS TRIM PRO SHELLHOLDER #20

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Trim cases quickly and accurately with the RCBS Trim Pro. The Trim Pro features a spring-loaded lever with shell holders (plates) that lock the cases securely and square to the cutter. The base is die cast metal and includes places for 8 case neck pilots. Length adjustment is easily done with a micrometer style adjustment collar on the cutter shaft. The cutter has hardened cutting blades for a lifetime of use. The trimmer is available in kit form which includes shell holders (2,3, 4, and 10) and pilots (.22, .24, .25, .27, 7mm, .30, .44, and .45 calibers). You can also buy the trimmer separately without pilots or shellholders. Optional accessories include the power converter, which allows you to use a power drill (not a power screwdriver), neck turning tool attachments, and a dust cover. Trim Pro Shellholders follow the same numbering system and cartridge fit as RCBS press type shellholders. See chart here.

Attributes

- Name: [RCBS TRIM PRO SHELLHOLDER #20](#)

TRIM PRO SHELLHOLDER Safety Instruction Guide

Introduction

Thank you for choosing the TRIM PRO SHELLHOLDER by RCBS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The TRIM PRO SHELLHOLDER may pose risks if used improperly, including:
 - Injury from sharp cutting blades.
 - Pinching or crushing hazards from moving parts.
- **Avoiding Hazards:**
 - Always ensure that the cutter is securely attached before use.
 - Do not place fingers near the cutting blades during operation.
 - Use protective eyewear to safeguard against flying debris.
 - Do not operate the product while distracted or under the influence of substances.
- **AgeSpecific Warnings:**
 - This product is intended for adult use only. Keep away from children.
 - Ensure that inexperienced users are supervised by an adult while using the product.

Instructions for Installation and Usage

- **Installation:**
 1. Unpack the TRIM PRO SHELLHOLDER and ensure all components are present.
 2. Securely attach the cutter to the base using the provided screws.
 3. Insert the appropriate shell holder for your cartridge size.
- **Usage:**
 1. Adjust the length using the micrometerstyle adjustment collar to the desired measurement.
 2. Place the case securely in the shell holder.
 3. Engage the springloaded lever to lock the case in place.
 4. Carefully operate the cutter to trim the case.
 5. After use, release the lever and remove the trimmed case.
- **Maintenance:**

- Regularly clean the cutting blades and shell holders to maintain performance.
- Store the product in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the TRIM PRO SHELLHOLDER in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- For any components that are no longer usable, follow local disposal guidelines to ensure safe and environmentally friendly disposal.

Contact Information for Further Support

For additional support or inquiries regarding safety concerns, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you have the latest information regarding product safety and usage.

Thank you for prioritizing safety and responsible use of the TRIM PRO SHELLHOLDER. Your adherence to these guidelines helps ensure a safe and effective experience.
