# **Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 300 AAC BLACKOUT FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure the proper and safe use of your die set. Please read this guide carefully before using the product to minimize risks and ensure a safe reloading experience.

## **General Safety Guidelines**

- Always handle the die set with care to avoid injury.
- Keep the die set out of reach of children and pets.
- Ensure that you are using the die set in a wellventilated area.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while reloading.
- Familiarize yourself with the reloading process and follow all manufacturer instructions.
- Regularly inspect the die set for signs of wear or damage before each use.
- Do not exceed recommended loads as specified in reloading manuals.

## **Specific Safety Precautions for Use**

- Ensure that the die set is compatible with the 300 AAC Blackout cartridge.
- Use only quality components and materials that meet industry standards for reloading.
- Avoid using the die set in damp or wet conditions to prevent rust and corrosion.
- Do not attempt to modify the die set or use it for purposes other than intended.
- Always doublecheck your measurements and adjustments before reloading.
- If you experience any malfunction or issues with the die set, cease use immediately and seek assistance.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and components for reloading.
- Ensure that your workspace is clean and organized.

### **2. Installation of the Die Set:**

- Securely mount the fulllength sizing die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the required setting for the 300 AAC Blackout cartridge.

### **3. Reloading Process:**

- Start by resizing the cartridge cases using the fulllength sizing die.
- Follow the instructions for the bullet seating die to properly seat the bullets.
- Regularly check dimensions and ensure that the cartridges meet specifications.

### **4. PostReloading:**

- Inspect the finished cartridges for any defects or issues.

- Store the reloaded ammunition in a safe and secure manner.

## **Disposal Instructions**

- Dispose of any defective or damaged components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Check with local recycling centers for proper disposal methods.
- Ensure that all materials used during the reloading process are disposed of responsibly.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Please ensure that you have read and understood these safety instructions before using the Hornady Custom Grade 2Die set. Following these guidelines will help ensure a safe and efficient reloading experience. Thank you for your attention to safety.
