

TNT 30 CALIBER (0.308") HOLLOW POINT BULLETS - SPEER 30 CALIBER (0.308") 125GR HOLLOW POINT 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

These varmint-specific bullets feature a thin jacket of precisely gauged thickness, internal fluting and a dead-soft lead core for ultimate bullet expansion. The long ogive and small hollowpoint provide for remarkable accuracy over long distances. Some calibers available in money-saving Value Packs for high-volume shooters.

TNT 30 CALIBER (0.308") HOLLOW POINT BULLETS

Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for the TNT 30 Caliber (0.308") Hollow Point Bullets. This guide is designed to provide essential safety information and guidelines for the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe handling and usage.

General Safety Guidelines

- Always handle ammunition with care and ensure it is stored securely.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for 30 caliber (0.308") ammunition.
- Ensure that you are familiar with your firearm's operation and safety features before using these bullets.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.

Specific Safety Precautions for Use

- Inspect ammunition for any signs of damage or corrosion before use.
- Do not use damaged or altered ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid distractions while handling ammunition and firearms.
- Do not consume alcohol or drugs before or during the use of firearms.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to confirm it is clear.
- Load the TNT 30 Caliber bullets into the magazine according to the manufacturer's instructions.
- Close the action of the firearm and ensure it is secure.

2. Firing the Ammunition:

- Position yourself in a stable shooting stance.
- Aim at the intended target and ensure there is a safe backstop.
- Keep your finger off the trigger until you are ready to shoot.
- Squeeze the trigger smoothly to fire the bullet.

3. PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Open the action and inspect the chamber to ensure it is clear.
- Store the firearm and ammunition safely when not in use.

Disposal Instructions

- Dispose of used or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.

- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point provided with your purchase.

Conclusion

Thank you for choosing the TNT 30 Caliber (0.308") Hollow Point Bullets. By following the safety guidelines and instructions provided in this guide, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility when handling ammunition and firearms.
