SPEER DEEPCURL HANDGUN BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SPEER DeepCurl Handgun Bullets. This guide provides essential safety instructions to ensure the safe use of these bullets. It is important to read and understand this manual before using the product to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always handle bullets with care and respect. Treat every bullet as if it were loaded.
- Store bullets in a cool, dry place, away from children and unauthorized users.
- Regularly check for any signs of damage or wear on the bullets and packaging before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use appropriate firearms that are specifically designed for the 475 caliber (0.457") bullets.
- Wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not attempt to modify or alter the bullets in any way.
- Keep the bullets away from heat sources, open flames, and other potential ignition sources.
- Be aware of your surroundings and ensure that you have a safe and secure shooting area.
- Only use bullets that are compatible with your firearm to avoid malfunctions or accidents.

Instructions for Installation and Usage

1. Preparation:

- Read the firearm's manual to ensure proper understanding of its operation.
- Ensure that the firearm is unloaded before handling the bullets.

2. Loading the Bullets:

- Follow the manufacturer's instructions for loading bullets into the firearm.
- Ensure that the bullets are seated properly in the chamber.

3. Firing:

- When ready to fire, assume a stable shooting stance.
- Aim at the intended target and check the area behind the target for safety.
- Pull the trigger smoothly and steadily to fire the bullet.

4. PostFiring:

- After firing, keep the firearm pointed in a safe direction and unload it immediately.
- Inspect the firearm and bullets for any signs of malfunction or damage.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.

- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that bullets are stored securely until they can be disposed of safely.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the EUbased contact point provided by the manufacturer or visit the official EU Safety Gate platform for updates on recalls and safety information.

Thank you for your attention to these safety instructions. Your safety is our priority.
