

HOT-COR 8MM (0.323") SPITZER BULLETS - SPEER 8MM (0.323") 150GR SPITZER 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance – and superb accuracy potential.

Safety Instruction Guide for HOTCOR 8MM Spitzer Bullets

Introduction

Thank you for choosing HOTCOR 8MM (0.323") Spitzer Bullets. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all users of this product are familiar with safe handling practices for ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always handle bullets with care to avoid accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling bullets.
- Be aware of the legal requirements for ammunition storage and use in your country or region.

Specific Safety Precautions for Use

- Do not use bullets that have been damaged or show signs of corrosion.
- Always use bullets that are compatible with your firearm's specifications.
- Check the firearm's chamber and magazine to ensure they are clear before loading.
- Never point a firearm at anything you do not intend to shoot.
- Follow the manufacturer's instructions for your firearm to ensure proper loading and unloading of bullets.
- Use only in firearms that are in good working order and have been maintained according to the manufacturer's guidelines.
- Avoid using bullets in extreme weather conditions, such as heavy rain or extreme heat, as this may affect performance.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action and check that the chamber is empty.
- Load the bullets into the magazine according to the manufacturer's instructions.
- Close the action of the firearm.

2. Firing the Bullets:

- Always ensure that you are in a safe shooting environment.
- Wear appropriate PPE, including hearing protection and safety glasses.
- Aim at a safe target and ensure that there is a proper backstop.
- Pull the trigger only when you are ready to shoot.

3. Unloading the Bullets:

- Point the firearm in a safe direction.
- Open the action and remove any remaining bullets from the chamber and magazine.
- Store unused bullets in a safe and secure location.

Disposal Instructions

- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidance on the safe disposal of ammunition.
- Consider returning unused or unwanted ammunition to a licensed dealer or participating in a local ammunition buyback program.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HOTCOR 8MM Spitzer Bullets, please reach out to the appropriate local authorities or consult with a licensed firearms dealer.

Important Note

In case of an emergency or accident involving ammunition, contact local emergency services immediately. Always prioritize safety and responsible use of firearms and ammunition.

By following these guidelines, you can help ensure a safe and enjoyable experience with your HOTCOR 8MM Spitzer Bullets. Thank you for your attention to safety.
