

# HOT-COR 35 CALIBER (0.358") SOFT POINT FLAT NOSE BULLETS - SPEER 35 CALIBER (0.358") 180GR SOFT POINT FLAT NOSE 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance – and superb accuracy potential.

## Attributes

- Name: [SPEER 35 CALIBER \(0.358"\) 180GR SOFT POINT FLAT NOSE 100/BOX](#)
- Manufacturer: [SPEER](#)

# Safety Instruction Guide for HOTCOR 35 Caliber Soft Point Flat Nose Bullets

## Introduction

Thank you for choosing HOTCOR 35 Caliber (0.358") Soft Point Flat Nose Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use to minimize risks and ensure a safe experience.

## General Safety Guidelines

- Ensure that all handling and usage of the bullets are conducted in a safe environment.
- Always store bullets in a secure location, out of reach of children and unauthorized individuals.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.
- Be aware of the potential hazards associated with handling and using ammunition, including but not limited to accidental discharge and exposure to lead.

## Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded and ready to fire.
- Use appropriate protective gear, such as safety glasses and gloves, when handling bullets.
- Do not consume food or drinks in areas where bullets are handled to avoid lead contamination.
- Ensure that firearms are in good working condition and compatible with the bullets being used.
- Never use damaged or deformed bullets, as they may pose a safety risk.
- Keep the work area clean and organized to prevent accidents and ensure safe handling.

## Instructions for Installation and Usage

- Make sure to read the firearm's manual for specific instructions on loading and using ammunition.
- When loading bullets, ensure the firearm is pointed in a safe direction and the safety is engaged.
- Carefully insert the bullet into the chamber, following the firearm's loading instructions.
- After loading, always check to ensure the firearm is functioning properly before use.
- When ready to fire, disengage the safety and aim at the intended target, ensuring that the area is clear of people and obstacles.
- After firing, handle the firearm with care and follow the manufacturer's instructions for unloading and cleaning.

## Disposal Instructions

- Do not dispose of bullets in regular trash. Follow local regulations for hazardous waste disposal.
- Contact your local authorities or waste management facilities for proper disposal methods of unused or spent bullets.
- Ensure that all bullets are stored securely until they can be disposed of safely.

## Contact Information for Further Support

For any questions or concerns regarding the safety of HOTCOR 35 Caliber Soft Point Flat Nose Bullets, please refer to the appropriate local authorities or safety organizations.

## Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with HOTCOR 35 Caliber Soft Point Flat Nose Bullets. Stay informed about safety practices and always prioritize safety when handling

ammunition. Thank you for your attention to these important guidelines.
