

HOT-COR 303 CALIBER (0.311") SPITZER BULLETS - SPEER 303 CALIBER (0.311") 150GR SPITZER 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance – and superb accuracy potential.

Attributes

- Name: [SPEER 303 CALIBER \(0.311"\) 150GR SPITZER 100/BOX](#)

Safety Instruction Guide for HOTCOR 303 Caliber (0.311") Spitzer Bullets

Introduction

Thank you for choosing the HOTCOR 303 Caliber (0.311") Spitzer Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are of legal age and have the necessary permits to purchase and use ammunition in your jurisdiction.
- Always handle ammunition and firearms with respect and caution.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Regularly inspect ammunition for any signs of damage or deterioration before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting ammunition.
- Do not use damaged or deformed bullets. Inspect each bullet for integrity before loading.
- Only use ammunition that is specifically designed for your firearm's caliber.
- Ensure that your firearm is in proper working condition before use.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Load the HOTCOR 303 Caliber bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.

2. Firing the Ammunition:

- Stand in a stable shooting position with a firm grip on the firearm.
- Align your sights on the target.
- Take a deep breath, relax, and squeeze the trigger smoothly to fire the shot.

3. PostFiring:

- After firing, keep the firearm pointed downrange until you have finished shooting.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear before handling further.

Disposal Instructions

- Dispose of used or damaged ammunition responsibly by contacting your local waste management service or law enforcement agency for guidance on safe disposal options.
- Do not throw ammunition in regular trash or burn it.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HOTCOR 303 Caliber (0.311") Spitzer Bullets, please refer to the EU contact point for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HOTCOR 303 Caliber (0.311") Spitzer Bullets. Always prioritize safety and responsibility when handling ammunition and firearms. Thank you for your attention to these important safety measures.
