

HOT-COR 30 CALIBER (0.308") SOFT POINT FLAT NOSE BULLETS - SPEER 30 CALIBER (0.308") 130GR SOFT POINT FLAT NOSE 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance – and superb accuracy potential.

Attributes

- Name: [SPEER 30 CALIBER \(0.308"\) 130GR SOFT POINT FLAT NOSE 100/BOX](#)

Safety Instruction Guide for HOTCOR 30 Caliber (0.308") Soft Point Flat Nose Bullets

Introduction

Thank you for choosing the HOTCOR 30 Caliber (0.308") Soft Point Flat Nose Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe handling of all ammunition products, including proper storage and usage.
- Be aware of potential risks associated with ammunition, such as accidental discharge or improper handling.
- Always follow local laws and regulations regarding the use of ammunition.
- Use this product only for its intended purpose and in the appropriate firearms.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or shooting ammunition.
- Do not use damaged or altered ammunition.
- Inspect your firearm before use to ensure it is in good working condition.
- Follow the manufacturer's instructions for your firearm regarding ammunition specifications.
- Store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Avoid exposing ammunition to moisture or extreme temperatures.
- Do not attempt to modify or reload this ammunition.

Instructions for Installation and Usage

- Ensure that you are in a safe and controlled environment when handling ammunition.
- Load the bullets into your firearm according to the manufacturer's instructions.
- Do not exceed the recommended load specifications for your firearm.
- After loading, keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.
- Always be aware of your surroundings and ensure the area is clear of bystanders before shooting.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash or recycling bins.
- Contact your local authorities or waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of HOTCOR 30 Caliber (0.308") Soft Point Flat Nose Bullets, please reach out to your local retailer or manufacturer. They can provide further assistance and information as needed.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your HOTCOR ammunition. Thank you for your attention to these important safety guidelines.
