

GOLD DOT SHORT BARREL PERSONAL PROTECTION HANDGUN BULLETS - SPEER BULLET 38CAL 357 135GR GDHP

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Extra-volume, hollow point cavity produces excellent expansion at the lower velocities common to short-barreled handguns. Same external profile as factory ammunition counterparts helps ensure reliable feeding in semi-auto pistols.

GOLD DOT SHORT BARREL PERSONAL PROTECTION HANDGUN BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Speer Gold Dot Short Barrel Personal Protection Handgun Bullets. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of causing injury or death.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly inspect ammunition for any signs of damage or corrosion before use.
- Use only in firearms that are designed for the specified caliber.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use ammunition that appears damaged or has been stored improperly.
- Avoid using this ammunition in firearms with excessive wear or damage.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.

Instructions for Installation and Usage

• Installation:

- Ensure the firearm is unloaded before installing new ammunition.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Load the ammunition into the magazine or chamber according to the manufacturer's instructions for your specific firearm.

• Usage:

- Always follow the manufacturer's instructions for operating your firearm.
- Use the ammunition only in firearms specifically designed for .38 caliber or .357 caliber.
- Fire only in wellventilated areas and in accordance with local laws.
- After use, ensure that the firearm is unloaded and cleaned according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or hazardous waste disposal facilities for proper disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the designated contact point provided by the retailer or manufacturer where you purchased this product.

Please remember that safety is paramount when handling ammunition. By following these guidelines, you can ensure a safe and enjoyable experience with your Speer Gold Dot Short Barrel Personal Protection Handgun Bullets.
