

# GOLD DOT SHORT BARREL PERSONAL PROTECTION HANDGUN BULLETS - SPEER BULLET 45CAL 451 230GR GDHP

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Extra-volume, hollow point cavity produces excellent expansion at the lower velocities common to short-barreled handguns. Same external profile as factory ammunition counterparts helps ensure reliable feeding in semi-auto pistols.

## Attributes

- Name: [SPEER BULLET 45CAL 451 230GR GDHP](#)

# Safety Instruction Guide for GOLD DOT SHORT BARREL PERSONAL PROTECTION HANDGUN BULLETS

## Introduction

Thank you for choosing the Speer Gold Dot Short Barrel Personal Protection Handgun Bullets. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product. Please read this document carefully before handling or using the bullets.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically designed for .45 caliber ammunition.
- Always wear appropriate eye and ear protection when handling firearms.
- Do not modify or alter the ammunition in any way.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and has been properly maintained.
- Do not use this ammunition if it has been damaged, such as dents or corrosion.
- Be aware of your surroundings and ensure that you have a safe and secure shooting area.
- Always aim in a safe direction, and never point your firearm at anything you do not intend to shoot.
- Know your target and what lies beyond it.
- If you experience a misfire, keep the firearm pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.
- Do not consume alcohol or drugs before or during the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and verify that it is unloaded.
- Load the bullets into the magazine according to the manufacturer's instructions for your specific firearm model.

### 2. Firing the Ammunition:

- Load the magazine into the firearm and ensure it is securely in place.
- Pull back the slide (or bolt) to chamber a round.
- Aim at the target, ensuring a clear line of sight.
- Squeeze the trigger smoothly to fire the round.

### 3. PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Open the action to remove the magazine and check the chamber to ensure it is empty.
- Clean the firearm according to the manufacturer's guidelines after use.

## **Disposal Instructions**

- Dispose of spent casings and any unused ammunition at a designated hazardous waste facility or according to local regulations.
- Do not throw ammunition in regular trash or recycling.
- If you need to dispose of ammunition, contact your local law enforcement agency for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please refer to the EUbased contact provided with your purchase or consult your local authorities.

## **Conclusion**

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for choosing Speer ammunition.
