

THREAD ADAPTER 1/2-28 TO 5/8-24 - PRECISION ARMAMENT

THREAD ADAPTER 1/2-28 TO 5/8-24 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Thread Adapters](#)

Ideal for attaching 5/8-24 muzzle brakes, suppressors, or any other alignment critical devices to your AR-15/M16 barrel. Both Internal and external threads are single point cut in same operation to tight UNEF Class-3 tolerances for perfect concentricity and alignment. Compact design moves muzzle device only .100" forward maintaining full thread joint strength. Precision CNC machined from pre-hardened HTSR 400 series stainless steel bar for superior heat and corrosion resistance. Available in an advanced PVD (Physical Vapor Deposition) matte-black finish, offering exceptional durability and corrosion resistance at high temperatures, making it ideal for full auto fire as well as suppressor applications. Also available in a matte stainless finish.

Attributes

- Name: [PRECISION ARMAMENT THREAD ADAPTER 1/2-28 TO 5/8-24 BLACK](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100010536
- Mfr. No.: A02001
- Caliber: 30 Caliber (.308)
- Finish: Black
- Threads: 1/2-28 to 5/8-24
- Weapon type: AR-15
- Delivery weight: 0.009kg
- Shipping height: 1mm
- Shipping width: 57mm
- Shipping length: 89mm

Item details

Made in USA

US export classification: 0A501.x

Safety Instruction Guide for THREAD ADAPTER 1/228 TO 5/824

Introduction

Thank you for choosing the THREAD ADAPTER 1/228 TO 5/824 by Precision Armament. This product is designed to facilitate the attachment of muzzle devices to your AR15/M16 barrel with precision and reliability. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always inspect the THREAD ADAPTER for any damage or wear before installation.
- Use the product only for its intended purpose; do not modify it.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Avoid using excessive force when tightening the THREAD ADAPTER to prevent damage.
- Do not attempt to disassemble or modify the THREAD ADAPTER.
- Be aware of the potential for heat generation during use, especially in full auto fire situations.
- Only use compatible muzzle devices designed for 5/824 threads to ensure proper fit and function.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary tools, including a suitable wrench for the wrench flats on the adapter.

2. Installation

- Align the THREAD ADAPTER with the muzzle of the firearm.
- Gently screw the THREAD ADAPTER onto the barrel, ensuring that the threads engage properly.
- Use the wrench to tighten the adapter securely, but do not overtighten.

3. Usage

- After installation, check the alignment of the muzzle device.
- During use, monitor for any signs of loosening or wear on the THREAD ADAPTER.
- If any issues arise, immediately cease use and inspect the product.

4. Maintenance

- Regularly clean the THREAD ADAPTER to prevent corrosion and maintain functionality.
- Inspect for any signs of damage or wear before each use.

Disposal Instructions

- Dispose of the THREAD ADAPTER in accordance with local regulations for metal products.
- Do not dispose of the product in household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the THREAD ADAPTER or safety issues, please contact your local dealer or manufacturer representative. Ensure you have the product information available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
