# Safety Instruction Guide for S&W Revolver Mini STS Scope Mounts

## Introduction

Thank you for choosing the S&W Revolver Mini STS Scope Mount. This product is designed to enhance your shooting experience by allowing the attachment of various red dot sights to your S&W Revolver. This guide provides essential safety instructions to ensure the safe use and installation of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure the safe use of the S&W Revolver Mini STS Scope Mount, please follow these general safety guidelines:

- Always read and understand the product instructions before use.
- Ensure the product is suitable for your specific model of S&W Revolver.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for signs of wear or damage.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the S&W Revolver Mini STS Scope Mount, adhere to the following safety precautions:

- Ensure the firearm is unloaded before installation or adjustment of the scope mount.
- Use only compatible red dot sights as specified in the product description.
- Do not exceed the recommended torque settings when securing the mount.
- Avoid using the mount in extreme weather conditions that may affect its integrity.
- Always wear appropriate eye protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

Follow these steps for the correct installation and usage of the S&W Revolver Mini STS Scope Mount:

### 1. Preparation:

- Ensure your S&W Revolver is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a screwdriver compatible with the mounting screws.

### 2. Installation:

- Locate the predrilled holes on your S&W Revolver.
- Align the S&W Revolver Mini STS Scope Mount with the predrilled holes.
- Insert the mounting screws through the mount into the holes.
- Tighten the screws securely, ensuring not to overtighten.

### 3. Attachment of Red Dot Sight:

- Refer to the manufacturer's instructions for your specific red dot sight.
- Attach the red dot sight to the mounted scope base.
- Adjust the sight to your preferred position for optimal visibility.

#### 4. Final Checks:

- Ensure all screws are tightened and the mount is secure before use.
- Perform a function check of your revolver to ensure proper operation.

## Disposal Instructions

At the end of the product's life cycle, dispose of the S&W Revolver Mini STS Scope Mount responsibly:

- Follow local regulations for disposal of aluminum products.
- Do not dispose of the product in regular household waste.
- Consider recycling the product where facilities are available.

## Contact Information for Further Support

For any inquiries or support regarding the S&W Revolver Mini STS Scope Mount, please refer to the manufacturer's contact points as provided in the product packaging or documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your S&W Revolver Mini STS Scope Mount.
