

SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT .357/9MM

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Reusable Foam Swabs For Precision Cleaning

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

Safety Instruction Guide for SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH

Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS. This product is designed for efficient and thorough cleaning of firearms. Please read this safety instruction guide carefully to ensure safe use and maintenance of the Bore Tips.

General Safety Guidelines

- Ensure safe handling of all cleaning products.
- Follow all instructions included with the Bore Tips.
- Keep products out of reach of children.
- Use Bore Tips only for their intended purpose.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use Bore Tips only with compatible calibers: .357/9MM and .45 caliber (note that .45 caliber Bore Tips will not fit .44 caliber barrels).
- Avoid using on firearms that are loaded or have not been properly cleared.
- Wear safety goggles to protect your eyes from cleaning solvents and oils.
- Ensure adequate ventilation when using cleaning solvents.
- Do not use Bore Tips with any cleaning chemicals that are not recommended or specified.
- Dispose of used Bore Tips responsibly, following local disposal regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the Bore Tips and cleaning solvents.

2. Installation:

- Attach the Bore Tip to a cleaning rod with an 832 female thread.
- Ensure that the connection is secure to prevent detachment during use.

3. Usage:

- Apply the recommended cleaning solvent to the Bore Tip.
- Insert the Bore Tip into the bore of the firearm.
- Use a backandforth motion to clean the bore thoroughly.
- Replace the Bore Tip after up to five uses or if it shows signs of wear.

4. PostUsage:

- Clean the Bore Tips after each use to maintain their effectiveness.
- Store Bore Tips in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used Bore Tips in accordance with local waste disposal regulations.
- Do not throw Bore Tips into regular household waste if they have been contaminated with cleaning solvents.
- Check local guidelines for hazardous waste disposal to ensure safe disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging or visit the manufacturer's website for contact details.

Thank you for following these safety instructions. Enjoy using your SUPER BRUSH BORE TIPS SWABITS for a cleaner and safer firearm experience.
