

# SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT .22/5.56MM

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Reusable Foam Swabs For Precision Cleaning

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

# Safety Instruction Guide for SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH

## Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH. This product is designed to provide a convenient and effective cleaning solution for your firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the Bore Tips in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Bore Tips before each use for any signs of damage or wear.
- Use only with cleaning rods that have 832 female threads.
- Ensure that the Bore Tips are compatible with your firearm's caliber.
- Store the Bore Tips in a cool, dry place away from direct sunlight and heat sources.
- Dispose of used Bore Tips responsibly, following local regulations.

## Specific Safety Precautions for Use

- Use the Bore Tips only for cleaning the intended calibers: .22 and 5.56mm.
- Do not use the Bore Tips with solvents or oils that are not recommended by the manufacturer.
- Avoid excessive force when inserting or removing the Bore Tips from the bore.
- Do not leave the Bore Tips in contact with solvents or oils for extended periods.
- If any irritation occurs while using solvents or oils, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including a cleaning rod with an 832 female thread and your Bore Tips.

### 2. Installation:

- Attach the Bore Tip to the cleaning rod by screwing it onto the 832 female thread until secure.
- Ensure the connection is tight to prevent the Bore Tip from detaching during use.

### 3. Usage:

- Apply a small amount of solvent or oil to the Bore Tip.
- Insert the Bore Tip into the bore of the firearm gently.
- Move the Bore Tip back and forth within the bore to effectively clean it.
- After cleaning, remove the Bore Tip carefully and inspect it for wear.

### 4. Cleaning and Reuse:

- Rinse the Bore Tips with clean water after use to remove any residue.
- Allow the Bore Tips to dry completely before storing.
- The Bore Tips can be reused up to five times; replace them if they show signs of wear.

## **Disposal Instructions**

- Dispose of used Bore Tips in accordance with local waste disposal regulations.
- Do not dispose of Bore Tips in regular household waste if they are contaminated with hazardous materials.
- Check with local authorities for specific disposal guidelines for cleaning products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the SUPER BRUSH BORE TIPS SWABITS, please refer to the manufacturer's contact details provided on the product packaging or visit their official website for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH. Thank you for prioritizing safety and responsible firearm maintenance.
