Safety Instruction Guide for the 300 SERIES VERSA POD PICATINNY MOUNT

Introduction

Thank you for choosing the 300 SERIES VERSA POD PICATINNY MOUNT. This product is designed to enhance your shooting experience while ensuring safety and stability. Please read this safety instruction guide carefully to understand the proper use, installation, and disposal of the product. This guide complies with the EU General Product Safety Regulation (GPSR) to ensure your safety and satisfaction.

General Safety Guidelines

- Always inspect the product before use to ensure it is in good condition and free from any damage.
- Use the product only as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure that the Picatinny mount is securely attached to the rail before use.
- Avoid overloading the bipod beyond its specified weight limit to prevent instability.
- Always use the product on stable ground to minimize the risk of accidents.
- Do not modify the product in any way, as this can compromise safety and functionality.
- Be cautious of sharp edges on metal parts during installation and removal.

Instructions for Installation and Usage

1. Installation

- Ensure that the Picatinny rail is clean and free of debris.
- Align the mount with the rail and slide it into place.
- Secure the mount by tightening the locking mechanism until it is firmly in position.
- Check that the mount does not move or wobble.

2. Usage

- Adjust the legs of the bipod to the desired height (9 to 12 inches).
- Ensure the rubber feet are making full contact with the ground for stability.
- Utilize the pan/tilt head to adjust the angle of your firearm for optimal aiming.
- Always maintain control of the firearm while using the bipod.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and aluminum waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.
- Ensure that any hazardous materials are handled according to local safety guidelines.
