

# PICATINNY AFG2 ANGLED FORE GRIP - MAGPUL PICATINNY AFG2 ANGLED FORE GRIP POLYMER O.D. GREEN

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Low-profile forward grip/hand stop takes advantage of natural body mechanics to give the shooter more precise control, faster pointing, and less operator fatigue. The Magpul AFG™ (Angled Fore Grip) positions the support hand close to the centerline of the bore for maximum recoil control to aid in fast, accurate follow-up shots. Provides a consistent reference point for finding the correct hand position quickly when mounting the weapon under stress. The natural, ergonomic hand position with the palm facing up results in better blood flow than the “clenched fist” stance often used with vertical grips that leads to fatigue and loss of sensation during long periods in the ready position. Improves on the “thumb break” hold often used with standard vertical grips by allowing the thumb to rest comfortably alongside the top rail, pointing forward, with the rest of the hand in full contact with the forend. Heavy-duty reinforced molded polymer construction stands up to the hard knocks of tactical operations, and deep, molded-in grooves help you maintain a firm grip even with wet hands. Interchangeable inserts give the choice of a straight, uninterrupted gripping surface or one with a convenient ledge to support the index finger. Slides over any Picatinny-style rail and locks securely in place with a hardened steel crossbolt. The more compact AFG2™ is shorter and narrower to take up even less rail space, with enough clearance to fit a larger variety of weapons. Both models may be installed on tactical shotguns and other rifles with railed foreends; won't interfere with insertion and removal of magazines on AK-47s.

## Attributes

- Name: [MAGPUL PICATINNY AFG2 ANGLED FORE GRIP POLYMER O.D. GREEN](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100010591
- Mfr. No.: MAG414-ODG

# PICATINNY AFG2 ANGLED FORE GRIP SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Magpul Picatinny AFG2 Angled Fore Grip. This product is designed to enhance your shooting experience by providing improved control and comfort. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the AFG2 for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Grip:** Always ensure that your hand is properly positioned on the grip to maintain control of the firearm.
- **Avoid Overexertion:** Do not maintain a clenched fist position for extended periods, as this may lead to fatigue and loss of sensation.
- **Wet Conditions:** Be aware that wet hands may affect grip stability. Ensure a firm grip before firing.
- **Installation Checks:** After installation, check that the grip is securely fastened to avoid any accidents during use.
- **Use with Compatible Firearms:** Only use the AFG2 with firearms that are compatible with Picatinnystyle rails.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Slide the AFG2 over the Picatinny rail on your firearm.
- Align the grip properly to ensure it is in the desired position.
- Secure the grip in place using the hardened steel crossbolt. Tighten until snug, but do not overtighten.

### 2. Usage:

- Position your support hand on the grip with your palm facing up for optimal ergonomic support.
- Utilize the thumb break hold by resting your thumb along the top rail.
- Maintain a relaxed grip to avoid fatigue during extended use.
- If using interchangeable inserts, choose the one that provides the most comfort and control for your shooting style.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not burn the product, as it may release harmful substances.

- Ensure that any used or damaged parts are disposed of safely to prevent accidental injury.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the Picatinny AFG2 Angled Fore Grip, please contact the manufacturer directly through their official communication channels.
