

# S&W M&P PRO I-DOT NIGHT SIGHT SET - AMERIGLO S&W M&P I-DOT SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## Vertical Two-Dot System Enables Quick Sight Alignment

An alternative to traditional sights, Pro I-DOT sights encourage accurate, instinctive sight alignment without taking the time to line up a three-dot sight picture. Simply position the top dot directly above the bottom dot on the target and squeeze the trigger! Tritium inserts and photo luminescent front-sight outlines make these sights visible in all light conditions - day or night. Glock® set features a green rear dot and a green front sight with a lime-green outline. Smith & Wesson (S&W) set has a green rear dot and a green front sight with an orange outline.

# S&W M&P PRO IDOT NIGHT SIGHT SET Safety Instruction Guide

## Introduction

Thank you for choosing the S&W M&P PRO IDOT NIGHT SIGHT SET by AMERIGLO. This product is designed to enhance your shooting accuracy and experience. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully. It contains important information regarding product safety, installation, usage, and disposal.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm model before installation.
- Always handle firearms and accessories with care, following all safety protocols.
- Store the sight set in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the sight set for any signs of damage or wear before use.
- Keep this product out of reach of children and unauthorized users.
- If you notice any malfunction or damage, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to misalignment and inaccurate shooting.
- Failure to follow safety guidelines may result in accidents or injury.

### • Instructions for Avoiding Hazards:

- Always ensure the firearm is unloaded before installation or adjustment of the sight set.
- Use appropriate tools and follow the installation instructions precisely.
- Avoid modifying the sight set or using it in a manner not intended by the manufacturer.

### • Age or Audience Specific Warnings:

- This product is intended for use by individuals of legal age who are trained in firearm safety.
- Ensure that inexperienced users are supervised by a qualified adult when using this product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sight from your S&W M&P using the appropriate tools.
- Align the new Pro IDOT sight set with the factory dovetail.
- Secure the sight in place, ensuring it is properly fitted and aligned.
- Confirm the sight is stable and does not move when gently shaken.

### 2. Usage:

- When aiming, position the top dot directly above the bottom dot on your target.
- Squeeze the trigger gently to take your shot, maintaining focus on the sight alignment.
- Practice regularly to become familiar with the sight set and improve your accuracy.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for nonhazardous waste.
- If the product is damaged or no longer usable, consider recycling materials where applicable.
- Do not dispose of the product in household waste if it contains hazardous components.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, installation, or usage of the S&W M&P PRO IDOT NIGHT SIGHT SET, please reach out to your local authorized dealer or visit the manufacturer's website for more information.

By following these guidelines, you can ensure a safe and enjoyable experience with your S&W M&P PRO IDOT NIGHT SIGHT SET. Thank you for your attention to safety!
