

# PRO I-DOT NIGHT SIGHT SET FOR GLOCK® - AMERIGLO GREEN/GREEN SIGHT SET FOR GLOCK® SMALL FRAME

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

An alternative to traditional sights, Pro I-DOT sights encourage accurate, instinctive sight alignment without taking the time to line up a three-dot sight picture. Simply position the top dot directly above the bottom dot on the target and squeeze the trigger! Tritium inserts and photo luminescent front-sight outlines make these sights visible in all light conditions – day or night. Glock® set features a green rear dot and a green front sight with a lime-green outline.

# PRO IDOT NIGHT SIGHT SET FOR GLOCK®

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the PRO IDOT NIGHT SIGHT SET FOR GLOCK® by AMERIGLO. This guide provides essential safety instructions to ensure the proper and safe use of your new sight set. Please read this document carefully before installation and use.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Use the sights only on compatible Glock® models (37, 39, 17, 19, 22, 23, 24, 34, 35, 26, 27, 33, 38).
- Ensure that the sights are installed by a qualified gunsmith or follow the installation instructions carefully if you choose to install them yourself.
- Inspect the sights regularly for any signs of damage or wear.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

### Specific Safety Precautions for Use

- The tritium inserts in the sights are designed for visibility in low light conditions. However, they may not be visible in complete darkness. Always ensure proper lighting when aiming.
- Do not attempt to modify or disassemble the sights. This could lead to improper function and increase the risk of accidents.
- If you experience any issues with the sights, cease use immediately and consult a professional.
- Always follow local laws and regulations regarding the use and transportation of firearms and firearm accessories.

### Instructions for Installation and Usage

#### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights using appropriate tools.
- Align the new PRO IDOT sights with the sight dovetails on the slide.
- Secure the sights using the provided screws or as per the manufacturer's instructions.
- Ensure that the sights are properly aligned and secured before use.

#### 2. Usage Instructions:

- To use the sights effectively, position the top dot directly above the bottom dot on the target.
- Squeeze the trigger gently to ensure accurate shot placement.
- Practice regularly to become familiar with the sight alignment.

### Disposal Instructions

- Dispose of the sight set in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Contact your local waste management facility for specific disposal instructions related to firearm accessories.

## **Contact Information for Further Support**

For additional support or inquiries regarding the PRO IDOT NIGHT SIGHT SET FOR GLOCK®, please refer to the manufacturer's website or contact your local dealer.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your PRO IDOT NIGHT SIGHT SET FOR GLOCK®. Always prioritize safety and remain informed about best practices regarding firearm use. Thank you for your attention to these important safety instructions.
