

# HACKATHORN NIGHT SIGHT SETS FOR GLOCK® - AMERIGLO HACKATHORN SET FOR SMALL FRAME GEN1-4 GLOCK®

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Features: Ameriglo Hackathorn Sights feature a green tritium insert surrounded by an orange outline on the front sight, paired with a matte black rear sight. Front Tritium insert is manufactured by Trijicon and installed by Ameriglo. Steel sights are finished with black nitride. Available for Glock® and Springfield XD and XDM. Benefits: Bright Tritium front sight with large orange outline allows for the user to quickly pick up the front sight. Matte black rear sight allows the user to quickly pick up the front sight, while still allowing for accurate shot placement. Black nitride finish provides a durable and corrosion resistant exterior.

# HACKATHORN NIGHT SIGHT SETS FOR GLOCK®

## Safety Instruction Guide

### Introduction

Thank you for choosing the Ameriglo Hackathorn Night Sight Set for your Glock® firearm. This guide provides essential safety information and instructions to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and usage.

### General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the night sights.
- Always follow the manufacturer's instructions for your specific firearm model.
- Store the night sights and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- The front tritium insert is designed to enhance visibility in lowlight conditions. Do not attempt to modify or remove the tritium insert.
- The matte black rear sight is designed for optimal alignment with the front sight. Ensure that both sights are properly aligned for accurate shooting.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, which may affect their performance.
- If you experience any issues with the sights, discontinue use immediately and consult a qualified gunsmith or contact the manufacturer.

### Instructions for Installation and Usage

#### Installation

##### Tools Required:

- Gunsmithing tools (sight pusher, punch, etc.)
- Safety glasses

##### Installation Steps:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing sights using a sight pusher or appropriate tool.
- Clean the sight dovetail to remove any debris or old adhesive.
- Position the front sight into the dovetail and secure it according to the manufacturer's specifications.
- Install the rear sight in the same manner, ensuring proper alignment with the front sight.
- Check that both sights are secure and aligned before using the firearm.

#### Usage

- Practice using the new sights in a safe and controlled environment.
- Familiarize yourself with the sight picture and how it affects your shooting performance.
- Always wear appropriate eye and ear protection when shooting.

## **Disposal Instructions**

- Dispose of the night sights in accordance with local regulations.
- If the sights are damaged or no longer functional, do not attempt to repair them. Instead, dispose of them responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or performance, please refer to the manufacturer's website or contact their customer service directly. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe use of your Ameriglo Hackathorn Night Sight Set. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety instructions.
