

HACKATHORN NIGHT SIGHT SETS FOR GLOCK® - AMERIGLO HACKATHORN SET FOR LARGE FRAME GEN1-4 GLOCK®

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Features: Ameriglo Hackathorn Sights feature a green tritium insert surrounded by an orange outline on the front sight, paired with a matte black rear sight. Front Tritium insert is manufactured by Trijicon and installed by Ameriglo. Steel sights are finished with black nitride. Available for Glock® and Springfield XD and XDM. Benefits: Bright Tritium front sight with large orange outline allows for the user to quickly pick up the front sight. Matte black rear sight allows the user to quickly pick up the front sight, while still allowing for accurate shot placement. Black nitride finish provides a durable and corrosion resistant exterior.

Safety Instruction Guide for HACKATHORN NIGHT SIGHT SETS FOR GLOCK® AMERIGLO HACKATHORN SET FOR LARGE FRAME GEN14 GLOCK®

Introduction

Thank you for choosing the HACKATHORN NIGHT SIGHT SETS FOR GLOCK® by AMERIGLO. These sights are designed to enhance your shooting experience by providing improved visibility in lowlight conditions. This guide provides essential safety instructions to ensure the safe use and handling of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when installing or adjusting the sights.
- Use the sights only on compatible Glock® models as listed in the product description.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for signs of wear or damage before use.
- If you notice any defects or issues, do not use the product and contact a qualified firearms technician.

Specific Safety Precautions for Use

- Ensure that the tritium insert is not damaged. A broken insert may result in diminished visibility.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, as these can damage the materials.
- Do not attempt to modify or alter the sights in any way, as this may compromise their safety and effectiveness.
- Use appropriate eye protection when using firearms equipped with these sights.
- Always follow local laws and regulations regarding the use and modification of firearms.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You may need a sight pusher or a hammer and punch set for installation.
2. **Clear the Firearm:** Ensure that the firearm is unloaded. Remove the magazine and check the chamber.
3. **Remove Existing Sights:** Use the sight pusher or hammer and punch to carefully remove the existing sights from the firearm.
4. **Install the New Sights:**
 - Align the front sight with the dovetail cut on the slide and press it into place.
 - Align the rear sight with the dovetail cut and press it into place.
5. **Secure the Sights:** Ensure that both sights are securely fitted and do not move when pressure is applied.

Usage

- When aiming, ensure that the green tritium insert is visible against the target.
- The large orange outline on the front sight helps in quick sight acquisition.
- Practice regularly to become familiar with the sight picture and improve accuracy.

Disposal Instructions

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact local waste management services for proper disposal methods.
- If the tritium insert becomes damaged, consult with a qualified professional for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact their customer support. Be sure to have the product model and serial number ready for reference.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the HACKATHORN NIGHT SIGHT SETS FOR GLOCK®. Always prioritize safety and compliance with local laws when using firearms. Thank you for your attention to these guidelines, and enjoy your enhanced shooting experience.
