# CAP NIGHT SIGHT SETS FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the CAP Night Sight Sets for Glock® by Ameriglo. These sights are designed to enhance your shooting experience by providing improved visibility in lowlight conditions. This safety instruction guide aims to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use the sights only with compatible Glock® models as specified in the product specifications.
- Keep the sights clean and free from obstructions to maintain optimal performance.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly check for any signs of wear or damage to the sights.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installation.
- Use appropriate tools to install the sights to avoid damaging the firearm or the sights.

### • Usage Precautions:

- Familiarize yourself with the sight alignment before engaging in live shooting.
- Do not attempt to modify or alter the sights in any way.
- Always wear appropriate eye and ear protection when shooting.

### • Age Restrictions:

- This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools (e.g., sight pusher, screwdriver).

#### 2. Removing Old Sights:

- Use the sight pusher to gently remove the existing sights from the firearm.

#### 3. Installing New Sights:

- Align the front sight with the dovetail slot on the slide and press it into place.
- Repeat the process for the rear sight, ensuring it is properly aligned.

#### 4. Final Check:

- Ensure both sights are secure and properly aligned before using the firearm.

### Usage Instructions

- Align the front sight within the rear sight notch, ensuring that the top of the front sight is level with the top of the rear sight.
- Focus on the front sight while keeping the target in your peripheral vision.
- Practice regularly to become proficient in using the sights effectively.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the sights are damaged or no longer usable, contact your local waste management facility for proper disposal methods.

### Contact Information for Further Support

For any questions or concerns regarding the safety or use of this product, please reach out to the appropriate EU-based contact for safety inquiries or refer to the manufacturer's website for additional resources.

### Conclusion

By following the guidelines outlined in this safety instruction guide, you can ensure safe and effective use of your CAP Night Sight Sets for Glock®. Remember to prioritize safety and responsible firearm handling at all times. Thank you for choosing Ameriglo, and enjoy enhanced shooting experiences with your new sights.
