

AR-15 SHORT THROW SELECTOR - NOVESKE RIFLEWORKS STANDARD (RH) STS SELECTOR

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

60/ Selector With Magpul SSG Levers

Noveske's STS (Short Throw Selector) gives your AR's selector a short 60° throw for fast, easy transition between the "Fire" and "Safe" positions. It uses Magpul's popular SSG selector lever (included) for the FN SCAR for enhanced ergonomic feel, and is available in both standard right-hand and ambidextrous versions. For further versatility, the Noveske kit includes both long and short levers to help you get the best feel and function. The central shaft is machined from hardened stainless steel with a nitride coating for surface wear resistance.

Safety Instruction Guide for AR15 SHORT THROW SELECTOR NOVESKE RIFLEWORKS STANDARD (RH) STS SELECTOR

Introduction

Thank you for choosing the AR15 Short Throw Selector from Noveske Rifleworks. This product is designed to enhance the functionality and ergonomics of your AR15 rifle. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Ensure that you follow all instructions to minimize risks.
- **Enhanced Recalls:** Be aware that this product may be subject to recalls. Stay informed about any safety notices.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact point.
- **Rapid Alerts:** Be proactive in checking the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always ensure the selector is in the "Safe" position when the firearm is not in use.
- Do not attempt to modify the selector mechanism or any related components.
- Regularly inspect the selector for wear and tear, particularly the central shaft and levers.
- Only use the selector with compatible AR15 models.
- Store the firearm and selector in a secure location to prevent unauthorized access.
- Be aware of your surroundings when transitioning between "Fire" and "Safe" positions.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition before beginning installation.
2. **Remove Existing Selector:**
 - Use appropriate tools to remove the existing selector from the firearm.
 - Carefully detach the selector lever and central shaft.
3. **Install the New Selector:**
 - Insert the new selector shaft into the designated slot.
 - Attach the included short or long lever as preferred.
 - Ensure that the lever is securely fastened and operates smoothly.
4. **Test Functionality:**
 - After installation, check the selector's movement between "Fire" and "Safe" positions.
 - Ensure that it clicks securely into each position.

Usage

- To switch from "Safe" to "Fire":
 - Rotate the selector lever 60° clockwise.
- To switch from "Fire" to "Safe":
 - Rotate the selector lever 60° counterclockwise.

- Always verify that the firearm is pointed in a safe direction when manipulating the selector.

Disposal Instructions

- Dispose of this product responsibly and in accordance with local regulations.
- If the selector is no longer functional or safe to use, ensure it is destroyed to prevent misuse.
- Avoid disposing of the product in regular waste. Check for designated electronic waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Short Throw Selector or its installation and usage, please refer to the designated EUbased contact point provided by your retailer.

By following these guidelines, you can ensure a safe and effective use of the AR15 Short Throw Selector. Thank you for your attention to these important safety measures.
