AR15/M16 Sling Mount Kit Type 1 Safety Instructions

Introduction

Thank you for your purchase of the AR15/M16 Sling Mount Kit Type 1 by Magpul. This product is designed to enhance the functionality of your firearm by providing a secure attachment point for slings. Please read this safety instruction guide carefully to ensure safe and effective use of the Sling Mount Kit.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the Sling Mount Kit is installed correctly before use.
- Regularly inspect the Sling Mount Kit for signs of wear or damage before each use.
- Keep the area around your firearm clear of obstructions when using the Sling Mount Kit.
- Store the Sling Mount Kit and all related components out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents related to the Sling Mount Kit to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for slings and attachments.
- Ensure that the sling is properly secured to the mount to prevent accidental detachment.
- Avoid using the Sling Mount Kit with incompatible firearms or accessories.
- Be aware of your surroundings when using a firearm equipped with the Sling Mount Kit.
- Always keep the firearm pointed in a safe direction when attaching or detaching slings.

Instructions for Installation and Usage

Installation Instructions

1. Gather Tools and Components:

- Ensure you have the provided mounting hardware and necessary tools for installation.

2. Select Mounting Location:

- Choose either side of the SGA®, MOE® Rifle, MOE® Fixed Carbine, MOE® AK, ZhukovS, Hunter 700, or Hunter X22 Stocks for installation.

3. Prepare the Mounting Surface:

- Clean the area where the Sling Mount Kit will be installed to ensure proper adhesion.

4. Attach the Sling Mount:

- Align the Sling Mount Kit with the predrilled holes on the selected stock.
- Use the provided hardware to secure the Sling Mount Kit in place. Ensure it is tightened adequately but avoid overtightening.

5. Final Check:

- Verify that the Sling Mount Kit is securely attached and that there are no loose components.

Usage Instructions

- Attach your sling to the Sling Mount Kit using pushbutton QD Sling Swivels or the Magpul® QDM.
- Regularly check the attachment point during use to ensure it remains secure.
- If you notice any signs of wear or damage, discontinue use immediately and replace the Sling Mount Kit.

Disposal Instructions

- Dispose of the Sling Mount Kit and any damaged components in accordance with local regulations.
- Do not dispose of the Sling Mount Kit in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 Sling Mount Kit Type 1, please refer to the manufacturer's contact information, which can be found on the product packaging or the official website.

Thank you for choosing the AR15/M16 Sling Mount Kit Type 1. By following these safety instructions, you can ensure a safe and effective experience with your product.
