Slick Nickel-Boron Coating For Smooth Operation & Easy Cleaning

Replacement charging handle offers a quick reliability upgrade to your AR. Lightweight aluminum construction keeps weight to a minimum, while the super-slick, self-lubricating NiB-X® nickel-boron surface coating ensures smooth cycling and gives nothing for fouling or grit to adhere to, so it facilitates quick, easy cleaning, too.

Safety Instruction Guide for AR15/M16 NiBX® Charging Handle

Introduction

Thank you for choosing the AR15/M16 NiBX® Charging Handle by WMD GUNS. This product is designed to enhance the reliability and performance of your AR15 platform. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or handling the charging handle.
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your charging handle and firearm for signs of wear or damage.
- If you notice any abnormalities, do not use the product and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not modify the charging handle or any other firearm components without consulting a qualified professional.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before use.
- If you experience any malfunctions during operation, cease use immediately and inspect the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the upper receiver.
- Align the NiBX® Charging Handle with the receiver, ensuring it fits securely.
- Gently push the charging handle into place until it clicks.
- Verify that the charging handle operates smoothly before use.

2. Usage:

- To charge the firearm, grasp the charging handle firmly and pull it back toward the rear of the receiver.
- Release the charging handle to allow it to return to its forward position.
- Ensure that the firearm is ready for operation before proceeding.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 NiBX® Charging Handle, please consult the manufacturer or a qualified professional. Ensure to check for updates on product safety and recalls through the EU's Safety Gate platform.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15/M16 NiBX® Charging Handle. Thank you for your attention to these safety instructions.
