

SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT .45 CALIBER

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Reusable Foam Swabs For Precision Cleaning

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS by Superbrush. This product is designed to provide efficient and effective cleaning for .45 caliber firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before cleaning.
- Use only the specified .45 caliber Bore Tips for .45 caliber firearms. Do not attempt to use these tips on .44 caliber barrels.
- Keep Bore Tips out of reach of children and pets to prevent accidental ingestion or injury.
- Inspect the Bore Tips before each use for any signs of damage or wear. Do not use damaged tips.
- Follow all manufacturer instructions for cleaning and maintenance of your firearm.
- Store Bore Tips in a cool, dry place away from direct sunlight and heat sources.
- Be aware of your surroundings and ensure that no one is in the vicinity when cleaning your firearm.

Specific Safety Precautions for Use

- Use the Bore Tips only with cleaning rods that have 832 female threads to ensure a secure fit.
- Avoid excessive force when inserting or removing Bore Tips to prevent damage to both the tips and the firearm.
- Wear protective eyewear when using solvents or oils, as they can splatter during application.
- Ensure proper ventilation when using cleaning solvents and oils to avoid inhalation of harmful fumes.
- Do not mix different cleaning chemicals, as this may create hazardous reactions.
- Dispose of used Bore Tips and cleaning materials in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Bore Tips, cleaning rod, and cleaning solvent.

2. Attaching the Bore Tip:

- Take the Bore Tip and securely attach it to the cleaning rod by screwing it into the 832 female thread.
- Ensure that the connection is tight to prevent the tip from detaching during use.

3. Cleaning the Bore:

- Apply an appropriate amount of cleaning solvent to the Bore Tip.
- Insert the Bore Tip into the firearm's bore gently, ensuring it fits snugly.
- Move the cleaning rod back and forth through the bore to allow the Bore Tip to clean thoroughly.
- Replace the Bore Tip if it becomes saturated or worn after up to five uses.

4. Final Steps:

- After cleaning, remove the Bore Tip from the cleaning rod and dispose of it if it is worn.

- Clean the cleaning rod according to the manufacturer's instructions.
- Store the Bore Tips and cleaning supplies in a safe, dry location.

Disposal Instructions

- Dispose of used Bore Tips and any cleaning materials in accordance with local waste management regulations.
- Do not throw Bore Tips in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the SUPER BRUSH BORE TIPS SWABITS, please refer to the manufacturer's contact information provided on the packaging or product documentation. Always ensure you have the latest safety information and updates.

By following these safety instructions, you can ensure a safe and effective cleaning process for your .45 caliber firearm. Thank you for choosing SUPER BRUSH BORE TIPS SWABITS, and happy shooting!
