

# **SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT .40 CALIBER/10MM**

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## **Reusable Foam Swabs For Precision Cleaning**

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

# Safety Instruction Guide for SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH

## Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH. These Bore Tips are designed to provide a convenient and effective cleaning solution for your firearms. This guide contains essential safety instructions and guidelines to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the Bore Tips are used only for their intended purpose, which is cleaning firearms with .40 caliber/10mm barrels.
- Keep the Bore Tips out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Always inspect the Bore Tips before use for any signs of damage or wear. Do not use if damaged.
- Use Bore Tips in a wellventilated area to avoid inhalation of cleaning solvents and chemicals.
- Follow the manufacturer's recommendations for cleaning solvents and oils to avoid chemical reactions or damage to the Bore Tips.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using cleaning solvents.
- Do not exceed the recommended usage of the Bore Tips, which is up to five times for each tip.
- Avoid using Bore Tips with .45 caliber cleaning rods on .44 caliber barrels, as they are not compatible.
- Ensure that the cleaning rod is securely attached to the Bore Tip before use to prevent detachment during cleaning.
- Dispose of used Bore Tips responsibly, following local regulations for waste disposal.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the cleaning rod is compatible with the Bore Tips (832 female threads).
- Select the appropriate Bore Tip for your firearm (.40 caliber/10mm).
- Screw the Bore Tip onto the cleaning rod until it is securely attached.

### 2. Usage:

- Apply a small amount of cleaning solvent or oil to the Bore Tip.
- Insert the Bore Tip into the firearm's bore and gently push it through to clean the interior.
- Use a backandforth motion to ensure thorough cleaning of the bore.
- After use, rinse the Bore Tip with clean water and allow it to dry before storing.

## Disposal Instructions

- Dispose of used Bore Tips in accordance with local waste disposal regulations.
- Do not throw used Bore Tips in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH, please reach out to the manufacturer or your local retailer for assistance.

Thank you for following these safety instructions. Enjoy safe and effective cleaning of your firearms with the SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH.
