

# MARK II/III™ PAC-LITE COMPENSATORS - TACTICAL SOLUTIONS, LLC PAC-LITE COMPENSATOR

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

A large internal expansion chamber and 48 vent holes redirect muzzle blast to help control muzzle jump and recoil, so you can keep your .22LR pistol or rifle's sights on the target for fast follow up shots. Easy, screw-on attachment to Tac Sol fluted target barrels and the same O.D. for a neat look.

# MARK II/III™ PACLITE COMPENSATORS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MARK II/III™ PACLITE COMPENSATOR from Tactical Solutions, LLC. This guide provides important safety information and instructions to ensure the safe use of your compensator. Please read this manual thoroughly before use.

## General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the compensator.
- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Keep the compensator and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the compensator for signs of damage or wear before each use.
- Do not modify the compensator in any way, as this may compromise safety and performance.
- Follow all local laws and regulations regarding the use of compensators and firearms.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the compensator with compatible firearms, specifically .22LR pistols or rifles.
- Ensure that the compensator is securely attached to the firearm before firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the compensator in adverse weather conditions that may affect visibility or safety.
- If you experience any unusual performance or behavior from your firearm while using the compensator, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Verify that your firearm is unloaded.
- Clean the muzzle of your firearm to ensure proper attachment.
- Align the compensator with the muzzle threads (1/2"28 tpi).
- Screw the compensator onto the muzzle until it is handtight. Do not overtighten.
- Check that the compensator is securely attached before proceeding to use.

### 2. Usage

- Load your firearm according to the manufacturer's instructions.
- Aim at a safe target and ensure that the area is clear of obstacles and bystanders.
- Fire the firearm as normal, allowing the compensator to redirect muzzle blast and reduce recoil.
- After use, check the compensator for any signs of loosening or damage.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- If the compensator is damaged or no longer usable, consider recycling it at a designated facility.

## **Contact Information for Further Support**
