

# 1911 EXTREME SERVICE HAMMER STRUT & PIN - HARRISON DESIGN & CONSULTING EXTREME SERVICE HAMMER STRUT & PIN DLC

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Struts](#)

The Extreme Service Hammer Strut is correctly designed for all 1911 applications. The shape of the hammer strut is designed to prevent the hammer strut from rubbing the sear spring, which can cause the tension of the sear spring to unload. The Extreme Service strut is wire EDM machined from hardened tool steel for maximum durability and high strength, giving the reliability you can count on from your 1911. Available in the white or in IonBond Black DLC.

# Safety Instruction Guide for 1911 Extreme Service Hammer Strut & Pin

## Introduction

Thank you for choosing the 1911 Extreme Service Hammer Strut & Pin designed by Harrison Design & Consulting. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the hammer strut and pin, which are designed for all 1911 applications.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when the product is used by individuals who may be vulnerable.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Contact with Other Parts:** Ensure the hammer strut does not rub against the sear spring to prevent tension unloading.
- **Inspect Before Use:** Always inspect the hammer strut and pin for any signs of damage or wear before installation.
- **Proper Handling:** Handle the product with care to avoid injury. Use appropriate tools when installing or removing the hammer strut and pin.
- **Use in Appropriate Firearms:** Only use this product in compatible 1911 models: Government, Commander, and Officers.
- **Follow Manufacturer Guidelines:** Adhere to all manufacturer instructions during installation and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation.
- Work in a clean and welllit area to avoid losing small parts.

### 2. Installation Steps:

- Remove the existing hammer strut and pin from your 1911 firearm.
- Clean the area where the new hammer strut and pin will be installed.
- Carefully insert the new hammer strut into the designated position.
- Align the pin with the hammer strut and secure it in place.
- Check that the hammer strut is properly seated and does not interfere with other components.

### 3. PostInstallation:

- Test the functionality of the hammer and ensure it operates smoothly.
- Perform a safety check to confirm that there are no obstructions or malfunctions.

## **Disposal Instructions**

- Dispose of any old or unused components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please refer to the designated EU contact point or consult the manufacturer directly.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the 1911 Extreme Service Hammer Strut & Pin. Thank you for your attention to safety and compliance.
