

308 AR LOWER PARTS KIT - CMMG 308 AR LOWER PARTS KIT

[Home](#)

Complete kit contains every internal part needed to complete or rebuild an AR lower receiver. High-quality components are designed to work in coordination with each other to ensure smooth operation, and they come packaged in color-coded bags that organize related parts for easy assembly. Includes molded-polymer A2 pistol grip and a Mil-Spec trigger that offers a conventional, single-stage 6 to 6½ lb. service rifle pull.

Safety Instruction Guide for the CMMG 308 AR Lower Parts Kit

Introduction

Thank you for choosing the CMMG 308 AR Lower Parts Kit. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle firearms and related components with care and responsibility.
- Keep the kit and all its components out of reach of children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding firearms and firearm components.
- Inspect all components for damage before use. Do not use any damaged parts.
- If you are unsure about any aspect of installation or usage, seek assistance from a qualified gunsmith or firearms expert.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or working with firearms.
- Ensure the firearm is unloaded before starting any work on it.
- Follow all manufacturer instructions for the assembly and installation of parts.
- Be aware of potential hazards, including sharp edges, springs under tension, and small parts that may pose a choking hazard.
- Never modify any components unless you are a trained professional. Modifications can lead to malfunction or injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure you have a clean, welllit workspace free from distractions.

2. Installation Steps

- **Pistol Grip:** Attach the moldedpolymer A2 pistol grip to the lower receiver using the provided screws.
- **Trigger Assembly:**
 - Install the trigger into the lower receiver.
 - Secure the trigger spring and ensure it is properly seated.
- **Hammer and Disconnect:**
 - Insert the hammer and disconnect into the designated slots.
 - Use the hammer/trigger retaining pins to secure these components.
- **Safety Selector:**
 - Insert the selector into the lower receiver and secure it with the selector detent.
- **Bolt Catch and Magazine Release:**
 - Install the bolt catch and magazine catch as per the instructions.
 - Ensure that the magazine release button is functioning correctly.
- **Final Assembly:**
 - Check that all components are securely installed and functioning.
 - Perform a final inspection to ensure there are no loose parts.

3. PostInstallation Checks

- Once the installation is complete, conduct a safety check of the firearm.
- Test the trigger pull and ensure that all safety features are operational.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If any components are damaged and cannot be used, follow local regulations for the disposal of firearm parts.

Contact Information for Further Support

For any inquiries or further assistance, please refer to the product packaging or the manufacturer's website for contact details and support resources.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your CMMG 308 AR Lower Parts Kit. Always prioritize safety and responsibility when handling firearms and their components.
