

CAP NIGHT SIGHT SETS FOR GLOCK® - AMERIGLO GREEN SIGHT SET FOR GLOCK® LARGE FRAME

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Features: Ameriglo CAP Sights feature a green tritium insert surrounded by a photo luminescent outline on the front sight, paired with a black rear featuring a photo luminescent horizontal line. Front Tritium insert is manufactured by Trijicon and installed by Ameriglo. Steel sights are finished with black nitride. GL614 Fits Glock models 17, 19, 22, 23, 24, 26, 27, 33, 34, 35, 37, 38, and 39. GL615 Fits Glock models 20, 21, 29, 30, 31, 32 and 36. Benefits: Bright Tritium front sight with large green outline allows for the user to quickly pick up the front sight. Rear sight with horizontal green bar ensures that the shooter can easily align the sights and make speedy target engagements. Black rear sight and standard size front sight still allow for accurate shot placement. Black nitride finish provides a durable and corrosion resistant exterior.

Safety Instruction Guide for CAP Night Sight Sets for Glock® Ameriglo Green Sight Set

Introduction

Thank you for choosing the CAP Night Sight Sets for Glock® Ameriglo Green Sight Set. This guide provides essential safety instructions to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is installed correctly and securely to avoid accidents.
- Regularly inspect the sights for any signs of damage or wear. Replace them if necessary.
- Use the product only for its intended purpose. Improper use may lead to safety hazards.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Always follow local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- When aiming, ensure that the front sight is clearly visible and aligned with the rear sight.
- Do not attempt to modify or alter the sights. Any modifications can compromise safety and effectiveness.
- Avoid using the sights in conditions where visibility is severely impaired or in environments that may cause distractions.
- Use appropriate eye protection when handling firearms equipped with these sights.
- If you experience any malfunction or unusual behavior while using the sights, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction before installation.
- Remove the existing sights from your Glock® model using appropriate tools.
- Carefully install the CAP Night Sight Set, ensuring that the front sight is securely fitted and aligned with the rear sight.
- Tighten any screws or fasteners according to the manufacturer's specifications.
- Verify that the sights are stable and properly aligned before using the firearm.

2. Usage

- Familiarize yourself with the sighting system before engaging in livefire practice.
- Practice aligning the sights in various lighting conditions to understand their performance.
- Regularly clean the sights to maintain optimal visibility and function.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in household waste. Instead, utilize designated collection points or recycling facilities.

Contact Information for Further Support

For any inquiries regarding safety, installation, or maintenance of the CAP Night Sight Sets, please reach out to your local retailer or authorized dealer. They can provide assistance and further information regarding product safety and compliance.

Thank you for prioritizing safety while using the CAP Night Sight Sets for Glock® Ameriglo Green Sight Set. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
