

# AK47/AKM OPTIC MOUNT SYSTEM - RS REGULATE AK-303 FULL-LENGTH RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Updated design allows for customization of the mounting platform. Option of three different lower mounts, with a full length lower rail, forward rail and rear rail. Placement of lower rail allows for optics to be positioned in the ideal location front to back, as well as right to left. Lightweight CNC machined aircraft grade 6061 T6 aluminum. Position optics in co-witness location. Allows field stripping of the rifle without removal of the optic on most AK variants. Redesigned thumb lever lock retains zero even after repeated optic removal and reinstallation. Ability to stake position for extreme duty. AKML allows the mounting of the Aimpoint T-1 and H-1 Micro Red Dot Optics AKOG allows the mounting of Trijicon ACOG sight systems

## Attributes

- Name: [RS REGULATE AK-303 FULL-LENGTH RAIL](#)

# Safety Instruction Guide for AK47/AKM Optic Mount System RS Regulate AK303 FullLength Rail

## Introduction

Thank you for choosing the AK47/AKM Optic Mount System RS Regulate AK303 FullLength Rail. This product is designed to enhance the functionality of your AK47 or AKM rifle by providing a customizable mounting platform for various optics. Please read and follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed and used according to the manufacturer's instructions.
- Regularly inspect the optic mount for signs of wear or damage.
- Do not exceed the weight limit of the optic mount; refer to the manufacturer's specifications for details.
- Keep the product out of reach of children and vulnerable individuals.
- Always handle firearms responsibly and in accordance with local laws and regulations.

## Specific Safety Precautions for Use

- Verify that the optic mount is securely attached before each use.
- Avoid using the optic mount in extreme conditions that may lead to failure (e.g., excessive heat, moisture, or physical impact).
- Be aware of your surroundings when using the rifle equipped with the optic mount to prevent accidents.
- When field stripping the rifle, ensure you follow the instructions to maintain the integrity of the optic mount.
- If you notice any instability or misalignment in the optic after installation, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Select the appropriate lower mount based on your optic type.
- Align the mount with the receiver side mount base dovetail.
- Secure the mount using the provided thumb lever lock, ensuring it is tight but not overtorqued.
- Check that the mount is stable and does not move when pressure is applied.

### 2. Usage Instructions:

- Position your optic in the desired location on the rail, ensuring it is securely fastened.
- Adjust the optic to achieve the desired cowitness location.
- After installation, perform a function check to ensure the optic is working correctly.
- When removing the optic for any reason, ensure that the thumb lever lock is properly engaged upon reinstallation to retain zero.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK47/AKM Optic Mount System RS Regulate AK303 FullLength Rail, please refer to the manufacturer's website or contact their customer service for assistance. It is important to have a reliable point of contact for safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your AK47/AKM Optic Mount System. Always prioritize safety and responsible handling practices while using firearms and their accessories.
