

# AK47/AKM OPTIC MOUNT SYSTEM - RS REGULATE AKM 30MM REFLEX OPTICS UPPER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Updated design allows for customization of the mounting platform. Option of three different lower mounts, with a full length lower rail, forward rail and rear rail. Placement of lower rail allows for optics to be positioned in the ideal location front to back, as well as right to left. Lightweight CNC machined aircraft grade 6061 T6 aluminum. Position optics in co-witness location. Allows field stripping of the rifle without removal of the optic on most AK variants. Redesigned thumb lever lock retains zero even after repeated optic removal and reinstallation. Ability to stake position for extreme duty. AKML allows the mounting of the Aimpoint T-1 and H-1 Micro Red Dot Optics AKOG allows the mounting of Trijicon ACOG sight systems

## Attributes

- Name: [RS REGULATE AKM 30MM REFLEX OPTICS UPPER](#)
- Manufacturer: [RS REGULATE](#)
- Product no.: 100011184
- Mfr. No.: AKM

# AK47/AKM Optic Mount System RS Regulate Safety Instructions

## Introduction

Thank you for purchasing the AK47/AKM Optic Mount System by RS Regulate. This product is designed to enhance the functionality of your AK or AKM rifle by allowing the attachment of various optics. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the optic mount.
- Use the optic mount only with compatible optics as specified in the product specifications.
- Regularly inspect the optic mount for wear, damage, or loose components before each use.
- Ensure that the optic is securely mounted and that all locking mechanisms are engaged before use.
- Store the optic mount in a cool, dry place when not in use to prevent damage.
- Keep the product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Do not attempt to install or remove the optic while the firearm is loaded.
- Avoid using the optic mount in extreme weather conditions, such as heavy rain or snow, unless it is specifically rated for such use.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm with the optic mount installed.
- If the optic mount shows signs of damage or failure, discontinue use immediately and seek replacement.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded before proceeding.
- Select the appropriate lower mount based on your preference (full length lower rail, forward rail, or rear rail).
- Align the selected lower mount with the receiver side mount base dovetail.
- Secure the mount using the provided thumb lever lock, ensuring it is tightened adequately to retain zero.
- Confirm that the mount is stable and does not shift when pressure is applied.

### 2. Optic Attachment

- Choose an optic compatible with a 30mm OD tube.
- Place the optic onto the mounted rail, ensuring proper alignment.
- Secure the optic using the provided mounting hardware, ensuring all components are tightened properly.

### 3. Field Stripping

- To field strip the rifle, follow the manufacturer's instructions for your specific AK variant.
- The optic can remain mounted during this process for most AK variants.
- After field stripping, check the optic mount and optic for any misalignment or damage.

### 4. Maintenance

- Regularly clean the optic mount with a soft cloth to remove dust and debris.
- Inspect the thumb lever lock and mounting hardware for wear and tear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- If the product is damaged beyond repair, ensure it is disposed of in a safe manner to prevent any potential hazards.

## Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's official website or contact their customer service for assistance.

By following these safety instructions, you can ensure the safe and effective use of the AK47/AKM Optic Mount System. Thank you for choosing RS Regulate.
