

AR-15 30RD PMAG GEN M3 WINDOW MAGAZINE 223/5.56 - MAGPUL PMAG GEN M3 W/WINDOW 5.56/.223 30RD FOR AR-15 BLACK 1/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Super-Durable & Ultra-Dependable PMAG Refined & Battle-Hardened By Combat Experience

The polymer magazine that revolutionized magazine technology for the AR-15/M16/M4 platform just got even better. The third-generation PMAG further expands the strength, reliability, and versatility of the original PMAG. Along with all variants of the AR-15/M16/M4, the GEN M3 is fully compatible with the HK® 416 and MR556A1, M27 IAR, British SA-80, and even the FN® SCAR™ MK 16/16S. It's molded from a polymer formula that delivers distinctly greater resistance to crushing and all forms of impact, with extra reinforcement in the mag catch and feed lip areas. A new-design four-way anti-tilt follower ensures even smoother feeding, even when contaminated by dust or grit. Pop-off dust cover, included, helps minimize debris intrusion and prevent damage during storage. The removable floorplate is both stronger and slimmer for easier side-by-side carry in tight mag pouches. A pen dot matrix on each side allows consistent ID marking that resists handling wear. PMAG 30 is available with a clear polymer window on each side that lets you see the load status at a glance. Windows are made from an all-new, advanced clear polymer formula that offers even more resistance to chemicals and impact than the original MagLevel PMAG.

Attributes

- Name: [MAGPUL PMAG GEN M3 W/WINDOW 5.56/.223 30RD FOR AR-15 BLACK 1/PACK](#)
- Manufacturer: [MAGPUL](#)

Safety Instruction Guide for AR15 30RD PMAG GEN M3 Window Magazine

Introduction

Thank you for choosing the AR15 30RD PMAG GEN M3 Window Magazine. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle the magazine with care to avoid accidents.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the ownership and use of magazines.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before inserting or removing the magazine.
- Use only compatible ammunition: 223 Remington, 5.56 mm NATO, or 300 AAC Blackout.
- Avoid using the magazine in extreme temperatures or conditions that may affect its performance.
- Do not modify the magazine in any way, as this may compromise its safety and reliability.
- If the magazine becomes jammed or malfunctions, do not attempt to disassemble it. Seek professional assistance.

Instructions for Installation and Usage

• Installation:

1. Ensure that your firearm is pointed in a safe direction and is unloaded.
2. Align the magazine with the magazine well of your firearm.
3. Firmly push the magazine into the magazine well until you hear a click, indicating it is securely in place.

• Usage:

1. Load the magazine with compatible ammunition, ensuring not to exceed the 30round capacity.
2. To remove the magazine, press the magazine release button on your firearm.
3. Pull the magazine out of the magazine well while keeping the firearm pointed in a safe direction.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic waste.
- If the magazine is damaged beyond use, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the AR15 30RD PMAG GEN M3 Window Magazine, please refer to the appropriate authorities or your point of purchase.

This guide complies with the EU General Product Safety Regulation (GPSR) and aims to ensure your safety while using this product. Thank you for your attention to these important safety instructions.
