

PMAG® AR/M4 GEN M3™ 5.56X45 NATO RIFLE MAGAZINE FOR AR-15 - MAGPUL PMAG GEN M3 5.56/.223 30RD FOR AR-15 BLK 1/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Super-Durable & Ultra-Dependable PMAG Refined & Battle-Hardened By Combat Experience

The next-generation PMAG AR/M4 GEN M3 is a 30-round polymer magazine for AR15/M4 compatible weapons chambered in 5.56x45 NATO / .223 Remington. Along with expanded feature set and compatibility, the GEN M3 incorporates new material technology and manufacturing processes for enhanced strength, durability, and reliability that exceed rigorous military performance specifications. While the GEN M3 is optimized for Colt-spec AR15/M4 platforms, modified internal and external geometry also permits operation with a range of additional weapons, such as the HK® 416/MR556A1/M27 IAR, British SA-80, FN® SCAR™ MK 16/16S, and others. Similar to the MOE® PMAG, the GEN M3 features a long-life USGI-spec stainless steel spring for commonality, a four-way anti-tilt follower, constant-curve internal geometry for reliable feeding, and simple tool-less disassembly for easy cleaning. The PMAG GEN M3 also includes a redesigned bolt catch notch in the rear of the magazine that provides increased bolt catch clearance, while an over-travel stop on the spine helps ensure the magazine will not over-insert on compatible weapons. Low profile ribs and new, aggressive front and rear texture give positive control of the GEN M3 in all environments, and a paint pen dot matrix has been added to the bottom panel of the body to allow easy marking for identification. The new, easy to disassemble flared floorplate aids extraction and handling of the magazine while providing improved drop protection, but is slightly slimmer than before for better compatibility with tight double and triple magazine pouches. FEATURES 30 or 40-round reliability with no stoppages Easy Identification - Use the paint pen dot matrix to easily identify your different loads when it's crunch time Advanced follower- The anti-tilt, self-lubricating follower ensures a smooth feed and magazine reliability Slimline floorplate - Improved flared floorplate aids magazine handling and disassembly and is slim enough for use with many double and triple pouches Next-generation impact and crush-resistant polymer construction that includes constant-curve internal geometry for smooth feeding Modified dimensions allow for wider compatibility with non Colt-spec 'STANAG 4179' platforms Constant-curve internal geometry, over-travel insertion stop on the spine, and a long-life stainless steel spring ensure smooth feeding Made in the USA. SPECS Caliber: 5.56x45mm / .223 Remington Platform: AR15, M4, M16, SA-80 Capacity: 30 or 40 Rounds depending on magazine Weight: 5 oz. Length, max: 7.5 in. Compatibility: Wide compatibility with most 'STANAG 4179' platforms such as the AR15, M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, IWI Tavor, and others

The MAGPUL PMAG GEN M3 polymer magazine continues to revolutionize magazine technology for the AR-15 / M4 platforms. The third-generation PMAG further expands the strength, reliability, and versatility of the original PMAG. The MAGPUL PMAG GEN M3 is molded from a polymer formula that delivers distinctly greater resistance to crushing and all forms of impact, with extra reinforcement in the mag catch and feed lip areas. Long-life USGI-spec

stainless steel spring Four-way anti-tilt follower and constant-curve internal geometry for reliable feeding Tool-less disassembly for easy cleaning Pop-off dust cover helps minimize debris intrusion Removable floorplate is both stronger and slimmer Fully compatible with the HK® 416 and MR556A1, M27 IAR, British SA-80, and FN® SCAR™ MK 16/16S. The MAGPUL PMAG GEN M3 features pen dot matrix on each side providing consistent ID marking that resists handling wear. PMAG 30 is available with plain, solid sides.

Attributes

- Name: [MAGPUL PMAG GEN M3 5.56/.223 30RD FOR AR-15 BLK 1/PACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100011220
- Mfr. No.: MAG557-BLK
- Action Type: Semi-Auto
- Capacity: 30-Round
- Cartridge: 223 Remington,5.56 mm NATO
- Finish: Black
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.159kg
- Shipping height: 38mm
- Shipping width: 127mm
- Shipping length: 318mm
- UPC: 873750006178

Safety Instruction Guide for PMAG® AR/M4 GEN M3 5.56x45 NATO Rifle Magazine

Introduction

Thank you for choosing the PMAG® AR/M4 GEN M3 5.56x45 NATO Rifle Magazine. This guide provides essential safety instructions to ensure the safe use of your magazine. Please read this guide carefully before use to familiarize yourself with important safety information, guidelines, and instructions.

General Safety Guidelines

- Always handle firearms and magazines with care and respect. Treat every firearm as if it is loaded.
- Ensure that the magazine is compatible with your firearm model before use.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the magazine is empty before performing any maintenance or inspection.
- Use only 5.56mm/.223 ammunition with this magazine.
- Avoid overloading the magazine. Adhere to the specified capacity of 30 rounds.
- Do not attempt to modify or alter the magazine in any way.
- Ensure that the magazine is properly seated in the firearm before use.
- When loading the magazine, do so in a safe and controlled environment.
- Do not use the magazine if it does not fit your firearm securely.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue loading rounds until the magazine reaches its capacity of 30 rounds.
- Use the antitilt follower to ensure smooth feeding.

2. Inserting the Magazine:

- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into the magazine well until it clicks into place.
- Ensure that the magazine is securely seated.

3. Removing the Magazine:

- Press the magazine release button on your firearm.
- Pull the magazine out of the magazine well with a firm grip.

4. Cleaning and Maintenance:

- Disassemble the magazine by removing the floorplate and follower.
- Clean all components with a damp cloth and mild soap if necessary.

- Allow all parts to dry completely before reassembly.
- Reassemble the magazine by inserting the follower back into the magazine body and replacing the floorplate.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, it should be disposed of in a manner that prevents unauthorized use.
- Recycle any components that are recyclable according to local waste management guidelines.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact your local retailer for support. Always ensure you have the latest information regarding safety and product updates.

Thank you for prioritizing safety while using the PMAG® AR/M4 GEN M3 5.56x45 NATO Rifle Magazine. Your adherence to these guidelines contributes to a safer environment for all users.
