

# AR-15 SIGHT SET - TROY INDUSTRIES AR-15 FLIP-UP SIGHT SET DARK EARTH

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Rugged, flip-up sights provide failsafe backup when your primary optic or red dot sight fails. Sight body flips up easily when you need it and locks securely in place under powerful spring pressure and two locking detent balls, so it can't be accidentally bumped down until you hit the spring-loaded button on the left side of the base to retract it. Base clamps securely to any military or commercial Picatinny rail using a standard flathead screwdriver. No protruding knobs or levers to catch on brush, clothing, or other equipment. Sturdy, protective "ears" shield posts and apertures from impact. Rear sights bolt to flattop receiver rail and are only .460" high when folded. Detent-locking adjustment wheel lets you change the windage setting in  $\frac{1}{2}$  MOA increments. Front sights clamp to handguard accessory rail and are only  $\frac{1}{2}$ " high when folded. All models have M4-type post that's elevation adjustable in  $\frac{1}{2}$  MOA increments.

## Attributes

- Name: [TROY INDUSTRIES AR-15 FLIP-UP SIGHT SET DARK EARTH](#)
- Manufacturer: [TROY INDUSTRIES](#)
- Product no.: 100011228

# Safety Instruction Guide for AR15 SIGHT SET

## TROY INDUSTRIES AR15 FLIPUP SIGHT SET DARK EARTH

### Introduction

Thank you for choosing the AR15 FlipUp Sight Set from Troy Industries. This guide provides essential safety instructions and usage guidelines to ensure your product functions safely and effectively. Please read this document thoroughly before using the sight set.

### General Safety Guidelines

- Ensure that the sight set is compatible with your firearm before installation.
- Always treat your firearm as if it is loaded, and follow all firearm safety rules.
- Inspect the sight set regularly for any signs of damage or wear.
- Use the sight set only for its intended purpose; do not modify or alter it.
- Keep the sight set out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when using the sight set.
- Do not rely solely on the flipup sights; always check your primary optic or red dot sight.
- Ensure that the springloaded mechanism is functioning properly before use.
- Avoid using the sight set in adverse weather conditions that may affect visibility.
- Be aware of your surroundings and ensure that the area is clear before aiming and firing.
- If the sight set does not lock securely in place, do not use it until it has been repaired or replaced.

### Instructions for Installation and Usage

#### Installation

1. **Gather Tools:** You will need a standard flathead screwdriver for installation.
2. **Position the Base:** Align the sight set base with your Picatinny rail on the firearm.
3. **Secure the Base:** Use the flathead screwdriver to tighten the screws until the sight set is firmly attached. Ensure it does not move or wobble.
4. **Check Functionality:** Flip up the sight to ensure it locks into place securely. If it does not lock, recheck the installation.

#### Usage

1. **Flipping Up the Sight:** To use the sight, press the springloaded button located on the left side of the base. The sight will flip up easily.
2. **Locking in Place:** Once flipped up, ensure that the sight is locked in place by checking that it does not move when pressure is applied.
3. **Adjusting Windage:** Use the detentlocking adjustment wheel to change the windage setting in  $\frac{1}{2}$  MOA increments. Make adjustments as necessary for accurate aiming.
4. **Folding Down the Sight:** To fold the sight down, press the springloaded button again and gently lower the sight until it is secured in the down position.

## **Disposal Instructions**

- Dispose of the sight set in accordance with local regulations for electronic waste and metal products.
- Do not dispose of the sight set in regular household waste.
- If the sight set is damaged or no longer functional, contact a local waste management facility for guidance on proper disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please contact your local Troy Industries representative or authorized dealer. Ensure that you have your product details ready for a more efficient assistance experience.

Thank you for prioritizing safety and proper usage with your AR15 FlipUp Sight Set.
