

# AR-15 HK-STLYE FRONT TRITIUM SIGHT SET - TROY INDUSTRIES

## AR-15 FLIP-UP HK-STLYE FRONT TRITIUM SIGHT SET BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Rugged, flip-up sights provide failsafe backup when your primary optic or red dot sight fails. Sight body flips up easily when you need it and locks securely in place under powerful spring pressure and two locking detent balls, so it can't be accidentally bumped down until you hit the spring-loaded button on the left side of the base to retract it. Base clamps securely to any military or commercial Picatinny rail using a standard flathead screwdriver. No protruding knobs or levers to catch on brush, clothing, or other equipment. Sturdy, protective "ears" shield posts and apertures from impact. HK-Style Rear - two same-plane apertures: large .190" aperture provides a wide field of view for close-in targets, while .070" aperture is calibrated for engaging long-range targets. HK-Style Front - distinctive "globe" shape that aids in fast target acquisition under stress. Also available with a self-illuminating Tritium dot on the post for precise shot placement in low-light conditions.

### Attributes

- Name: [TROY INDUSTRIES AR-15 FLIP-UP HK-STLYE FRONT TRITIUM SIGHT SET BLACK](#)

# Safety Instruction Guide for AR15 HKStyle Front Tritium Sight Set

## Introduction

Thank you for choosing the AR15 HKStyle Front Tritium Sight Set by Troy Industries. This guide provides essential safety information and instructions to ensure the safe and effective use of your sight set. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that the sight set is installed correctly to avoid accidents during use.
- Always handle firearms and related accessories with care and respect.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the sight set with compatible firearms (AR15).
- Do not modify the sight set or attempt to repair it yourself.
- Ensure that the sight is securely locked in place before use.
- Avoid using the sight set in extreme weather conditions that may affect its performance.
- Use proper eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Locate the Picatinny Rail:** Identify the Picatinny rail on your AR15 where the sight will be mounted.
3. **Align the Base:** Position the sight's base on the rail, ensuring it is aligned correctly.
4. **Secure the Sight:** Use a standard flathead screwdriver to tighten the base clamps securely. Ensure it is firmly attached to prevent movement during use.
5. **Test the Locking Mechanism:** Flip the sight up to ensure it locks securely in place under spring pressure.

### Usage

1. **Flipping the Sight Up:** When you need to use the sight, press the springloaded button on the left side of the base to flip it up.
2. **Target Acquisition:** Use the large .190" aperture for close targets and the .070" aperture for longrange targets.
3. **Adjusting for Low Light:** If equipped with a Tritium dot, ensure it is visible in lowlight conditions for precise aiming.

## Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic and metal waste.
- Do not dispose of the sight set in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or authorized dealers. They can provide you with additional support and information regarding your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 HKStyle Front Tritium Sight Set. Thank you for prioritizing safety in your shooting activities.
