

# AR-15 GUNFIGHTER COMP MOD 1 22 CALIBER - BRAVO COMPANY GUNFIGHTER COMP MOD 1 22 CALIBER 1/2-28 SS BLACK OXIDE

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Gunfighter compensator reduces muzzle rise and flash, with a special baffling system that also limits side blast and the noise associated with typical compensators. Exterior dimensioned to accept blank firing adapter or flash hider mounted suppressors. Stainless steel construction and black oxide finish help resist heat and corrosion. Gunsmith installation recommended. Standard Length fits .223/5.56mm rifles.

# Safety Instruction Guide for AR15 Gunfighter Comp Mod 1 22 Caliber

## Introduction

Thank you for choosing the AR15 Gunfighter Comp Mod 1 22 Caliber. This product is designed to enhance your shooting experience by reducing muzzle rise and flash. However, it is important to follow safety guidelines to ensure safe and effective use. This guide provides essential safety instructions, installation guidelines, and contact information for further support.

## General Safety Guidelines

- Always treat the firearm with respect and follow all local laws and regulations regarding firearm use.
- Ensure that only trained individuals handle and operate the firearm with the installed compensator.
- Use appropriate personal protective equipment (PPE), including eye and ear protection, when using the firearm.
- Keep the compensator and firearm clean and wellmaintained to ensure safe operation.
- Do not modify the compensator or firearm in any way that could compromise safety.
- Store the firearm and compensator in a secure location, away from children and unauthorized users.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Ensure that the compensator is correctly installed before use. Improper installation can lead to malfunctions or accidents.
- Be aware of your surroundings when firing. The compensator may direct side blasts and noise, which can affect bystanders.
- Do not use the compensator with ammunition that exceeds the specified caliber (.22 Caliber or .223.224).
- Avoid using the firearm in enclosed spaces without proper ventilation, as this can increase noise levels and exposure to harmful gases.
- If you notice any unusual sounds or performance issues while using the compensator, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** You will need a wrench and any additional tools specified by the manufacturer.
2. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction before beginning installation.
3. **Remove Existing Compensator:** If applicable, carefully remove any existing compensator or muzzle device from the firearm.
4. **Prepare the Threads:** Clean the threads of the barrel to ensure a secure fit for the new compensator.
5. **Install the Compensator:**
  - Align the compensator with the threads on the barrel.
  - Handtighten the compensator until it is snug.
  - Use a wrench to securely fasten the compensator, being careful not to overtighten.
6. **Check Alignment:** Ensure that the compensator is properly aligned and securely attached.
7. **Final Inspection:** Inspect the installation to confirm that there are no gaps or misalignments.

## **Usage Instructions**

- Always follow firearm safety rules when using the firearm with the compensator installed.
- Aim and fire only at designated shooting ranges or safe areas.
- After use, clean the compensator and firearm to remove any residue or debris.

## **Disposal Instructions**

- Dispose of the compensator and any related materials in accordance with local regulations.
- If the compensator is damaged or no longer in use, do not throw it in regular trash. Check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For further support, please refer to the manufacturer's website or customer service resources. Ensure you have the product details available for any inquiries.

By following these guidelines, you can ensure the safe and effective use of the AR15 Gunfighter Comp Mod 1 22 Caliber. Thank you for prioritizing safety in your shooting activities.
