

1911 Simonich G10 Gunner Grips - VZ GRIPS VZ SIMONICH GUNNER GRIPS, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Unique Texturing Patterns For Excellent Hold & Weapon Control

Rugged grip panels made from tough G10 fiberglass offer the durability and superior gripping texture of modern composite materials. Advanced G10 laminate won't absorb moisture, resists impact, and won't expand or contract due to temperature fluctuation—perfect for all-weather operations and extreme conditions. Texturing is CNC machined into the laminate, then hand-finished to ensure uniform pattern depth. The hard surface allows the texturing to be cut a little sharper to give more “bite” than traditional checkered wood grips. Simonich Gunner Grips – Entire surface is covered with the popular “golfball” texturing originally introduced by Simonich Knives for a great hold without digging into your hand. Superb choice for tactical operations, action pistol competition, or general range use. Not cut for ambidextrous safety.

Attributes

- Name: [VZ GRIPS VZ SIMONICH GUNNER GRIPS, BLACK](#)

Safety Instruction Guide for 1911 Simonich G10 Gunner Grips

Introduction

Thank you for choosing the 1911 Simonich G10 Gunner Grips. This guide provides essential safety instructions to ensure the proper and safe use of your grips. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the grips are installed correctly to avoid any potential hazards during use.
- Regularly inspect the grips for any signs of wear or damage.
- Keep the grips clean and dry to maintain optimal performance.
- Store the grips in a safe, dry place when not in use.
- Use the grips only as intended, following all provided instructions.

Specific Safety Precautions for Use

- Do not use the grips if they show signs of damage or wear.
- Avoid using the grips in extreme temperatures or conditions that may affect their integrity.
- Ensure that the firearm is unloaded and safe before installing or handling the grips.
- Be cautious of the sharpness of the texturing; while it provides a superior grip, it may cause abrasions if mishandled.
- Keep the grips out of reach of children and vulnerable individuals to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing grips by unscrewing the grip screws using the appropriate tool.
- Align the Simonich G10 Gunner Grips with the frame of the firearm.
- Secure the grips by tightening the grip screws evenly, ensuring a snug fit without overtightening.

2. Usage:

- Hold the firearm firmly with both hands, ensuring a solid grip on the Simonich G10 Gunner Grips.
- Practice safe handling and shooting techniques at all times.
- Regularly check the grips for any looseness or wear during use.

Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding composite materials.
- Do not incinerate the grips as they may release harmful substances when burned.
- If the grips are damaged beyond repair, contact local waste management for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the 1911 Simonich G10 Gunner Grips, please consult the manufacturer's website or customer service resources.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your 1911 Simonich G10 Gunner Grips. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
