Safety Instruction Guide for 1911 Custom Grip Screws VZ GRIPS TURBO SCREWS (4) FULL SIZE

Introduction

Thank you for choosing the 1911 Custom Grip Screws VZ GRIPS TURBO SCREWS. This guide provides essential safety information and instructions for the safe use and installation of the product. Please read this guide carefully to ensure proper handling and to avoid any risks associated with the use of this product.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Be aware of your surroundings when using tools for installation.
- Follow all instructions provided in this guide to minimize risks.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

When using the 1911 Custom Grip Screws, consider the following safety precautions:

- Use a T15 torx driver for installation to ensure a secure fit.
- Avoid overtightening screws to prevent damage to the grip or firearm.
- Do not use the screws if they show signs of damage or if they do not fit properly.
- Always wear appropriate safety gear (e.g., safety glasses) when handling tools.
- Ensure that the firearm is unloaded and safe before beginning installation.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the 1911 Custom Grip Screws:

1. Preparation:

- Ensure that your work area is clean and welllit.
- Gather all necessary tools, including a T15 torx driver.

2. Remove Existing Grip Screws:

- Using the T15 torx driver, carefully remove the existing grip screws from your 1911 pistol.
- Set the screws aside in a safe place.

3. Install New Grip Screws:

- Take the new 1911 Custom Grip Screws from the package.
- Align the screws with the grip holes on your pistol.
- Using the T15 torx driver, gently insert and tighten the screws. Ensure they are snug but do not overtighten.

4. Final Check:

- Once all screws are installed, doublecheck that they are secure.

- Inspect the grip for proper fit and alignment.

5. Usage:

- Your pistol is now ready for use with the new grip screws installed. Always handle the firearm safely and responsibly.

Disposal Instructions

When disposing of the product, please follow these guidelines:

- Dispose of any damaged or unusable grip screws in accordance with local regulations.
- Do not discard the product in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the 1911 Custom Grip Screws VZ GRIPS TURBO SCREWS, please refer to the manufacturer or the retailer from whom you purchased the product. They will provide you with the necessary support and information.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your 1911 Custom Grip Screws. Thank you for your attention to safety and for choosing our product.
