1911 Custom Grip Screws Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Custom Grip Screws by VZ GRIPS. This guide provides essential safety information, installation instructions, and proper usage practices to ensure a safe and effective experience with your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are using the product in accordance with the manufacturer's specifications.
- Always inspect the product for any visible damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunctions or accidents.
- **Avoiding Hazards:**
 - Always use a T15 torx driver for installation to prevent stripping the screws.
 - Ensure that screws are tightened securely but do not overtighten, as this may damage the grip or the screws.
 - Do not use the screws if they show signs of wear or damage.
- **Agesspecific Warnings:** This product is intended for use by adults only. Keep away from children.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a T15 torx driver.
- Ensure your workspace is clean and free of distractions.

2. Installation Steps:

- Remove the existing grip screws from your 1911 pistol.
- Align the new 1911 Custom Grip Screws with the grip and the frame of the pistol.
- Using the T15 torx driver, insert the screws into the designated holes.
- Tighten the screws until secure, ensuring not to overtighten.

3. PostInstallation Check:

- After installation, check that the grip is firmly attached and that there is no movement.
- Test the functionality of the pistol to ensure that the installation has not affected its operation.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local waste disposal regulations.
- If the product is no longer needed, consider recycling components where possible.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Custom Grip Screws, please refer to the manufacturer's website or customer support channels.
