1911 Custom Grip Screws Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Custom Grip Screws manufactured by VZ GRIPS. These grip screws are designed to enhance the functionality and aesthetics of your 1911 pistols. This guide provides important safety instructions and guidelines to ensure the safe use and installation of the product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is suitable for your specific model of 1911 pistol (Government, Commander, or Officers).
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before installation.
- If you notice any irregularities or concerns, do not use the product and seek assistance.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunctioning or damage to your firearm.
- **Avoid OverTightening:** Overtightening the grip screws can strip the threads or damage the grip panels.
- **Use Appropriate Tools:** Always use a T15 torx driver for installation. Using incorrect tools may cause damage.
- **Check Compatibility:** Ensure that the grip screws are compatible with your specific model of 1911 pistol.
- **Follow Local Laws:** Be aware of and comply with all local laws regarding firearm modifications and accessories.

Instructions for Installation and Usage

1. Gather Necessary Tools:

- T15 torx driver
- Clean cloth (for cleaning the area around the grip)

2. Prepare the Pistol:

- Ensure the pistol is unloaded and pointed in a safe direction.
- Remove the existing grip screws if applicable.

3. Install the Grip Screws:

- Align the grip screws with the holes of your grip panel.
- Insert the screws into the holes and handtighten them initially.
- Use the T15 torx driver to tighten the screws securely, but do not overtighten.

4. Final Inspection:

- After installation, check that the grip panel is securely attached and that there are no loose screws.
- Ensure that the firearm operates correctly after the installation of the grip screws.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is damaged or no longer needed, dispose of it responsibly and in accordance with local environmental guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product-related issues, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the proper use and installation of the 1911 Custom Grip Screws. Always prioritize safety and compliance with local laws when handling firearms and their accessories. Thank you for choosing VZ GRIPS for your firearm customization needs.
