

LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 300 AAC BLACKOUT TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The “World’s Finest Trimmer” lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute – a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

Attributes

- Name: [LITTLE CROW GUNWORKS. 300 AAC BLACKOUT TRIMMER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100011332

Safety Instruction Guide for LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER

Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safe and effective use of this product. Please read this guide carefully before using the trimmer.

General Safety Guidelines

- Ensure that the trimmer is used only for its intended purpose of trimming cartridge cases.
- Always operate the trimmer in a welllit area to avoid accidents.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Regularly inspect the trimmer for any signs of wear or damage before use.
- If you notice any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the trimmer.
- Keep hands and loose clothing away from moving parts during operation.
- Ensure that the electric drill used as a power source is in good working condition and compatible with the trimmer.
- Do not exceed the recommended trimming speed of 810 cases per minute.
- Avoid using the trimmer in wet or damp conditions to prevent electrical hazards.
- Do not attempt to modify or alter the trimmer in any way.

Instructions for Installation and Usage

1. Setup the Trimmer:

- Attach the trimmer securely to your electric drill according to the manufacturer's instructions.
- Ensure that the cutter is properly aligned and tightened before use.

2. Trimming Process:

- Select a cartridge case that you wish to trim.
- Hold the case firmly and push it against the cutter until the excess brass is removed.
- Maintain a steady pace while trimming to ensure consistent results.

3. PostUse Care:

- After use, clean the trimmer to remove any brass shavings or debris.
- Store the trimmer in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of the trimmer responsibly in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste if it is damaged or no longer functional.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding safety and usage of the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Important Note: This guide is designed to meet the requirements of the EU General Product Safety Regulation (GPSR). Please report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety and satisfaction are our top priorities. Thank you for your attention to these important safety guidelines.
