# 1911 SUPER 7 MAGAZINE UPGRADE KIT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the 1911 SUPER 7 MAGAZINE UPGRADE KIT from TRIPP RESEARCH. This guide provides important safety instructions and guidelines to ensure the safe use of your upgrade kit. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model before use.
- Always handle firearms and magazines with care and in accordance with local laws and regulations.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Store the upgrade kit and any associated components out of the reach of children and unauthorized users.
- Regularly check for product recalls or safety updates related to this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the upgrade kit only with 7/8 round .45 Government length magazines.
- Do not modify the upgrade kit or attempt to use it in any way that is not specified in this guide.
- Ensure that your firearm is unloaded before installing or removing the upgrade kit.
- Inspect the upgrade kit for any visible damage before installation. Do not use if damaged.
- Always wear safety glasses when handling firearms to protect your eyes from potential debris.
- Be cautious of any potential feeding issues or malfunctions after installation. Test your firearm in a safe environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
